

one-north FESTIVAL

7-8

September 2018

11am - 6pm

**Fusionopolis One
@ one-north**

Come hear from and interact with scientists, innovators, media creators and entrepreneurs. Discover what inspires them and how a passion for science and technology can change our world for the better.

Featuring fun interactive displays, inspiring talks, workshops and tours, join the one-north community in a journey of learning and discovery for all in the family!
