Dear Parents,

Extracurricular Activities (ECAs) in Term 1 will start on **Monday 23rd September 2019**. The activities will run through until **Thursday 5th December 2019**. Extracurricular activities provide a great opportunity for your child to take part in an activity that falls outside the realm of the normal curriculum. Your child can explore their physical, creative, social or political domains and share diverse interests with like-minded students, perhaps in a different subject area or different key stage.

Students will be asked for multiple preferences although they will be allocated to one, two or three activities only. Not all activities are available to all year groups, please see the descriptions in the brochure. Information on paid activities can also be found within the brochure. The sign up process tries to ensure all students are granted a place on either their first, second or third choice of preference, please see the application guidelines below for detailed instructions.
