Early Years and Infant Campus Co-Curricular Activities

2019-2020, Term 2

Monday 10th February to Sunday 22nd March 2019 (6 weeks)

Welcome to the Co-Curricular Activity programme (CCAs) at the Early Years and Infant Campus (EY&I). The programme is designed to extend existing learning opportunities beyond the classroom and to give all children a wider range of fun experiences that enhance the core curriculum. This booklet will help your child to choose their activities for Term 2, 2019-2020. Teachers will also discuss with children their options prior to sign up.

As part of our continued enrichment programme, the CCAs are organised into 5 categories to help all children choose a variety of clubs to aim to vary their experiences.

The categories are: **Arts, Community, Language, Sports, and Technology**

Clubs are divided into 3 different types:

- *Free Activities* – offered by teachers covering a wide range of different activities.
- *Paid Activities* – offered by outside providers, these clubs often require specialist tuition.

In addition to this, **sport squads** will be chosen by the PE department based upon a strong ability level linked to prior performance. Children may be invited to join some of the initial sessions before final decisions are made. On sign up, always remember to select *general* CCA preferences and squad selections to avoid possible disappointment if a squad criterion is not met. Squad selections always take precedence over general CCA preferences.

Registration

For Term 2 clubs, each child in F2 to Y2 is entitled to enrol in both free and paid CCAs. All CCAs at the EY&I are 45 minutes in length. Due to the age of F1 children, there are no CCAs offered to this year group. As the selection process is randomised, we do not guarantee that every child will be allocated all CCAs requested. Please note, it is not recommended for children to participate in a CCA every day of the week.

Registration for Term 2 CCAs is through the online CHQ portal, which opens on **Monday 9th December at 5.00pm** and closes on **Friday 13th December 2019 at 12.00pm**.

Activities have maximum and minimum numbers which change according to the activity. Once the maximum number of children has been reached for an activity, the activity will be 'closed'. Children who sign up for paid CCAs that are oversubscribed will be placed on a waiting list. Please be aware that CCAs may be cancelled if there are not enough children as required.

Paid Activities

Those who have been allocated a paid activity will be informed via email with an attached liability waiver to be printed, signed and returned to reception. Payment needs to be made through online bank transfer within **the payment period, Monday 13th January to Tuesday 21st January**. Details of making the bank transfer will be sent via email upon allocation. If payment is not made during this time, then the place will be offered to the children who have been placed on a waiting list.

Please note, unless BIS cancel the programme, all paid activity payments are non-refundable; once committed, children must persevere with their club choice.

Online Activity Selection

All activities (free and paid) need to be selected online. Please see below for instructions.

You will be able to see updates and changes to your approved activities through your online CHQ homepage.

Please note that your preferences may not always be possible to allocate.

Please take time to read through the rest of this booklet and log on to CHQ when the Term 2 database opens.

If you have any questions please do not hesitate to contact Ms Hien at, hien.ton@bisvietnam.com.

I hope your children enjoy the activities on offer.

Ms Mary McAloon
Deputy Headteacher
Early Years and Infant Campus

Signing up procedure

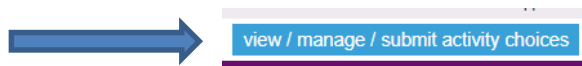

Step 1 Log on using your school internet user name and *password.

(User name: name@bisvietnam.net)

*Password: (will have been emailed to you previously)

Step 2 You should now see a Home Page with instructions.

Step 3 From the Home Page under 'My Activities' select, View/Manage/Submit Activity Choices'.

Step 4 Number your CCA choices in preferential order, 1 being first choice.

CHQ will only allow you to add each number once.

CHQ will randomly allocate the activities by number preference once sign up has closed. Therefore, children are more likely to get their 1st choice.

Ensure that you click 'Save' after your selections are made to log each CCA preference.

**Children will be selected to join the squad CCAs by the PE department based upon high ability levels and prior performance.*

Step 5 Consider & discuss the preferences with your child then click the 'submit' button. Clicking the submit button sends your child's CCA preferences to school and once this has been completed, CHQ will automatically send you a confirmation email, listing the CCAs that have been submitted.

Before the CCA programme begins on Monday 10th February, click onto the 'My Schedule' tab and scroll through to this start date – you will be able to see your accepted activities. In addition to this, all accepted activities will be confirmed to you via email before the Term 2 CCA programme begins.

If you have forgotten your login details, follow the instructions below.

If this is the first time logging onto **CHQ** you may be asked to change your password immediately to keep your page secure. Please be aware that your password is case sensitive (meaning it could be a mix of capitals and lower case letters), so please check again if you are having trouble. If you are still having trouble please email Ms Hien at hien.ton@bisvietnam.com for assistance.

For any parents who require support in logging in and using the system, please visit the EY&I Office on the 3rd floor on either Tuesday 10th, Wednesday 11th or Thursday 12th December from 8:15am to 9:00am where the office team will be there to support you in this process.

Forgotten/Lost Password!

If you lose/forget your password, please click the log on screen where it will ask you if you have forgotten your password. When you click on this it will ask for your child's date of birth and email address – please enter your designated email address to receive a password.
