Early Notice Payback Scheme

NAISGZ is pleased to note we reward leaving families who provide a minimum of THREE-MONTHS WRITTEN NOTICE of withdrawal with a payment of 10,000RMB. This payment is separate to all other payments mentioned above.

If you require further information on payments or the enrolment process, please contact our friendly Admissions team directly through admissions@naisgz.com.

Enrolment Fee & Early Notice Payback

1. The school requires each family to pay an enrolment fee prior to enrolling children at the school. This enrolment fee is non-refundable. It will not be returned at any time and is non-deductible from any further charges applied to the family.

2. In the event that enrolment is canceled prior to commencing classes at the School for any reason, the 'Enrolment Fee' will be forfeited. In addition, apposite written notice must be received at least 3 months prior to the first day of school to receive 'Early Notice Payback'.

3. The school will provide an 'Early Notice Payback' reward of 10,000RMB to families that provide a formal written notice to the school's Admissions Office at least 3 months prior to the family's last day at school. Notes:

(a) "Last day at school" means the student's last day physically at school. It does not mean last day at school plus holidays. It does not extend to the first day of the next term.

(b) "Written notice" is defined as an email sent directly to the Admissions team (admissions@naisgz.com) at the school clearly stating the child or children's last day at school.

(c) Notice of any kind given to teachers or any person at the school other than Admissions personnel cannot be accepted for the purposes of 'Early Notice Payback'.

4. The family must be able to produce, if so required, an acknowledgment that apposite written notice of withdrawal has been provided to the school before any 'Early Notice Payback' payments can be paid.

5. The 'Early Notice Payback' will not be delivered until all children within the family have been withdrawn from the school (i.e. 'Early Notice Payback' will not be issued if one child withdraws with the appropriate notice, but other siblings continue to be enrolled at the school).

6. 'Early Notice Payment' is only payable directly to the person who pays the tuition bills, assuming all outstanding fees and charges have been settled and all school resources have been returned before last day of attendance.

Payment and Refunds

The following criteria shall apply to the payment and refund of fees and charges. We request all family's support to complete refund procedures within one calendar year.

a) Fees and charges must be paid according to the dates and terms specified by the School on invoices.

b) No refund of fees can be made for absence due to illness or any other causes.

c) Full fees must be paid for any and all absence periods from the school. If fees are not paid for any reason during absence, the student's place will be forfeited.

d) For tuition fees paid termly, no refund is available for early withdrawal.

e) For tuition fees paid yearly, a refund for early withdrawal will be calculated by discounting from the total fees paid, the termly fee for every term attended (irrespective of whether the student has attended partially or fully any given term).

f) At the discretion of the school, late payment of fees will be subject to a 5% surcharge.
