

Year 11 IB Options Evening – Class of 2022

5th November 2019

Dear families,

We would like to invite you to our Year 11 Options Evening. This will take place **on Tuesday 12th November from 5.30-7pm** in our Multi-Purpose Room and Theatre.

At BSB we offer the International Baccalaureate Diploma Programme (IBDP) and the International Baccalaureate Diploma Courses (IBGC). Both pre-university programmes are two-year pathways which begin in Year 12 and are completed in Year 13.

The event will begin **at 5.30pm** in the Multi-Purpose Room where subject specialists will be available to discuss the requirements of their courses and to answer any questions you may have about their subject. There will then be a presentation in the Theatre **at 6.15pm** about what the IB entails and an explanation will be given as to how the options process works at BSB.

After Options Evening, students will have time to consider the information they have gathered before having to complete the Subject Selection Forms. Naturally, as the decisions students make at this stage of their education may affect their career paths in the future, it is important that they think carefully about what is right for them. Students will then be asked to complete the Subject Selection Form by **Friday 6th December**. This should be handed in to Mrs Warriar, the Assistant IB Coordinator (Office C311).

It is important to note that while best efforts are made to give students their first choices, this is not always possible and a review may need to take place. Please note that for classes to run there will need to be a minimum number of students.

Should you wish to find out more about the IBDP programme that we offer, please follow the links below to view three short IBO videos.
