

Dear Parents,

ADNH Compass is providing all the catering for your children at the British International School, Abu Dhabi (BIS Abu Dhabi). We are very excited about this opportunity and look forward to serving the BIS Abu Dhabi community.

Based on our worldwide school service pedigree and through our “SMART FOOD” programs we can bring not only exciting menus but also many more additional dishes to the canteens and campus coffee shop, “The Hub”.

For FS1 and FS2 classes, we are developing a special meal box which we will reveal very soon.

BIS Abu Dhabi Management has made changes to the main dining hall to enhance the service levels and create more seating capacity to improve the dining experience. A permanent outdoor barbeque set-up is being built inclusive of additional outdoor shading to protect the community from the afternoon UV exposure. Bring on the cooler weather!

The Hub will receive an upgraded product range and we will run a variety of promotions for students and parents alike.

Cashless System

The aim is to have the dining system in BIS Abu Dhabi fully cashless, which requires all parents and other users to be registered so that they can use the contactless cards for payments on the tills. There can be multiple users (students) under one account. We have already created accounts for all enrolled students, however as parents, you would need to register and confirm your child(ren)'s name(s). Unfortunately, due to privacy regulations given by the education council, ADEK, we cannot combine parent and student data, however, we have made the process of registration as easy and as swift as possible for you.

Once registered, you will receive an e-mail with an activation link. This link will guide you to KAPPTURE, our school membership and cashless system.

We have produced all the personalised cashless cards for all students, which will be handed out to all students, with exception for FS1 and FS2 students, on the first day of class.

We all know that the beginning of the school year can be a little hectic. Therefore, registering on time and before the first day of school will ensure that your child(ren) have their lunch without any challenges. Please be so kind as to register before the 2nd of September.

Please be advised that once your account is activated and your card is issued, an AED 10 debit will be made on your account as a deposit for the card. Upon closing the account and returning the card this deposit will be refunded.

How To Register

Please follow the below link and fill out the form on the page. Once you click submit it will automatically create your account.

<http://www.adnhcompassme.com/our-sectors/education/student-registration>

Special Offers

Through your online account you will see detailed reports of the registered card(s) under your account so that you can keep track of expenditure. Soon you will also see all menu information, pricing structures and a special offers section.

For any further questions, our team will be on hand during the school's orientation day on the 30th August from 9am and we would be happy to meet you and answer any potential question you may have on our services. You can also sample some of our menu.

We are very excited for the new year ahead and we look forward to meeting you all very soon!

Best Regards,

ADNH Compass Team
