Extending Beyond the Curriculum

To extend your child beyond the curriculum please encourage your child to read at home. We strongly recommend that all students read for a minimum of twenty minutes every day. They should also practice writing for an extended period periodically, this could be through writing short stories, creating a newspaper article about a key event that has taken place or poetry etc.

Please encourage the students to use the website Nahla & Nahel, it is very useful website involved a lot of stories in different levels with assessments and activities about the stories.

Improve the reading by using the Arabic library books. Please encourage your child to seek the help of the Arabic teacher to choose the books that interest him from the library.

The Arabic department in the secondary school will provide support to the extended writing. Therefore, your child may receive **writing tasks with instructions** that can help him produce good quality of writing. We recommend students get a **dictionary, the Arabic bank of vocabulary, grammar books for second language learners** like Arabic grammar in context.
