

Weekly Newsletter

Primary News

This week our Primary students have had the opportunity to partake in the [global World Maths Day](#), testing their Maths skills against other students from all over the world. The site (<http://www.worldeducationgames.com/WEGRegistration/#/register>) is still open and we have had some fantastic individual scores so far. Be ambitious - can you get into the final Hall of Fame? Final results will be announced next week.

As well as competing in this mathematics event, yesterday students from Years 5 and 6 took on a teaching role and worked with younger students to complete a wide variety of real-life maths problems. This led to a wonderful interactive learning experience for all our Primary students. Photos from this event can be seen [here](#) on our Facebook page.

Other activities included producing fabulous mathematical pieces of art. The week culminated in an assembly where our Year 5 and 6 students took on parents in a Big Maths Beat That Challenge. Our students were victorious. Well done everyone!

On Tuesday we held our **Year 6 residential trip information evening**, led by our Year 6 teachers and a representative from Ecoventure outdoor education services. This year, our students have the opportunity to go to Al Jeer in the UAE. If you were unable to attend the presentation, click [here](#) for information.

Next Thursday, we will be holding a **Primary Parent Seminar focusing on IPC and Science**. This session will outline our IPC and Science curriculums, explain how we teach these subjects in school and also provide you with information on how you can support your child at home. I look forward to seeing many of you there.

Finally, congratulations to Josiah Williams in Year 4MB for having the winning entry in our Summer Science Photography [Competition](#).

Secondary News

The Secondary School have completed a lot of work this term to increase parent awareness with our "Sports Personality of the Year Awards", "Succeeding At..." evenings and our ECA Open Day. As a quick reminder you can find the "Succeeding At" slides [here](#).

One of the regular conversations I have with Parents is about getting access to our Moodle Virtual Learning Environment (VLE). What exactly is Moodle and how can this virtual system assist you and your child in their learning. For more on this and our secondary news for the week please go [here](#).

PTA Events

Around the World Breakfast Festival - 6 November

Please join us at our Breakfast Festival to celebrate food and culture from around the world. If you would like to volunteer please sign up at reception or email [Sam Breeze](#) with the following information: your name, country you will represent, phone number and email address, as well as how you would like to help e.g. be the leader of your country stall, prepare and bring food or help set up and serve on the day. We are looking forward to meeting you on the day.

Primary Film Night - 18 November

Join us for another wonderful popcorn filled film night. If you would like to volunteer to help at this event please contact [Annabel Clarke](#).

Join our PTA by contacting [Rhonda Howard](#).

Student Requires Assistance

As part of the IB Diploma our students need to complete their 'Extended Essay,' Bart Roebers in Year 13 is doing his on Carbon Dioxide (CO2) being released from soda water. He urgently needs a CO2 sensor which measures in Parts Per Million (PPM). If anyone could be of assistance in loaning or sourcing one of these, please could you contact his tutor at lee.banfield@nais.qa

Our Safety Drive

Thank you for driving safely and slowing down around the school grounds, your consideration to make sure our children are always safe is appreciated.

Keep up to date with all the latest school news join us on
