

In order for us to contact you quickly and easily, your child needs to have an **Emergency Contact Form** completed by his/her parent/guardian and kept on file in the school office. Please keep this information updated throughout the year.

[Student Emergency Contact Form](#)

Dear Parents,

## Welcome to issue 12 of the NAS Jakarta Newsletter 2021-22

Firstly, a warm welcome to our new families who joined us last week. We hope your children, indeed your whole family, will be happy and fulfilled during your time as part of the NAS Jakarta community.

I am pleased to report that the number of positive Covid cases in the school remains low. Currently we have six families affected and one member of staff which is an enormous improvement. The fact there are still cases occurring, however, means that we must continue to take a step-by-step approach to any changes we make in our procedures.

We have recently received our results from the annual Parent Satisfaction Survey with some feedback included in this newsletter. As we are well within the second half of the academic year now, we have started to enrol new students to begin their studies at NAS in August. Please do tell your friends and colleagues about our upcoming Virtual Open Day on 7th April (registration link below).

As usual there are some insights into recent learning included in this newsletter. I hope that you find your learning conference with your child's teacher useful next week. If you haven't yet signed up for an appointment, I encourage you to do so.

Wishing you a happy weekend!

Kind regards,

**Rosy Clark**

Principal

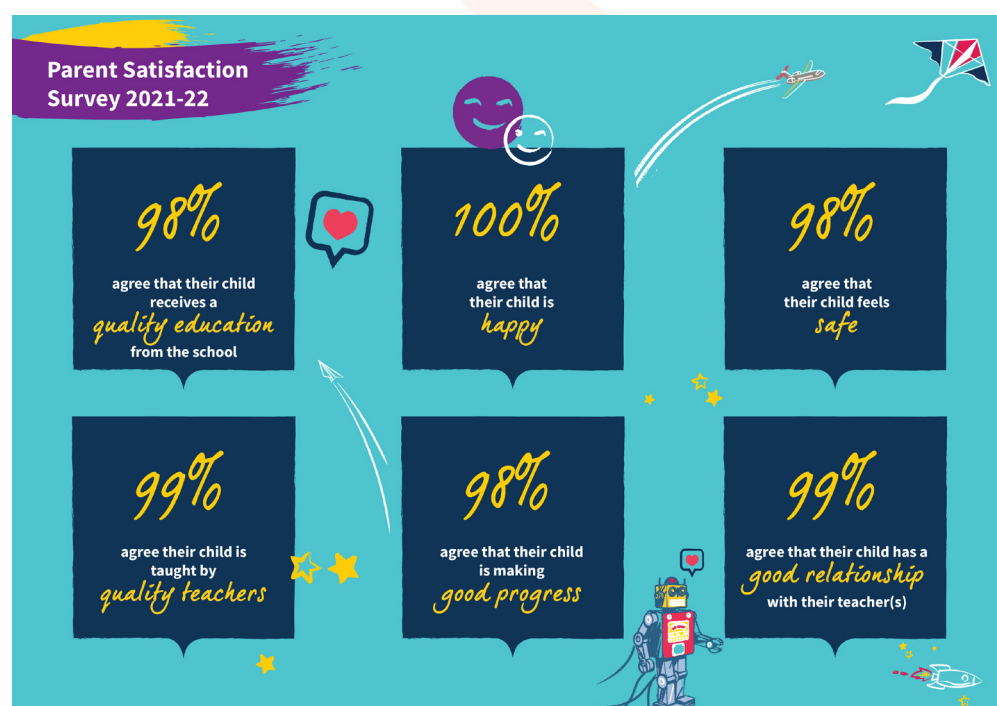

## Parent Satisfaction Survey

Each year we carry out an annual parent satisfaction survey to help us improve our understanding of how we are performing in key areas so that we can continue to provide the best possible educational experience for your child.

This year's survey concluded in January and 77% of parents at our school responded which was one of the highest response rates in the whole of Nord Anglia Education. We would like to say thank you to everyone who shared their valuable feedback. The results of the survey have been anonymously collated and analysed by Nord Anglia Education and we recently received our individual school results.

These results, along with continuous guidance and review with Nord Anglia's Education team, enable us in our strategic planning and overall management of the school.

We are very proud of our 2021-22 academic year results, which represent the collective hard work and dedication of everyone at our school.

We are delighted to report that NAS Jakarta outperforms against regional and Nord Anglia Education's averages in all of these areas. At NAS, we recognise that students who feel secure, happy and appropriately challenged to consistently do their best will make great progress in their learning.

# A Look at Learning

## Class assembly

We are delighted to report that NAS Jakarta outperforms against regional and Nord Anglia Education's averages in all of these areas. At NAS, we recognise that students who feel secure, happy and appropriately challenged to consistently do their best will make great progress in their learning.

## The Importance of Book Making

Book making is an ongoing activity in Foundation 2 and one that the Owa's are getting more confident and excited about every day.

The Owa's have been learning about what it means to be a writer and are independently making and authoring their own books on any topic, idea or story that interests them.

Creating time and space for independent exploration and creation of books within a classroom allows children to experiment with emergent reading and writing behaviours without the age-old fear of "getting it wrong".

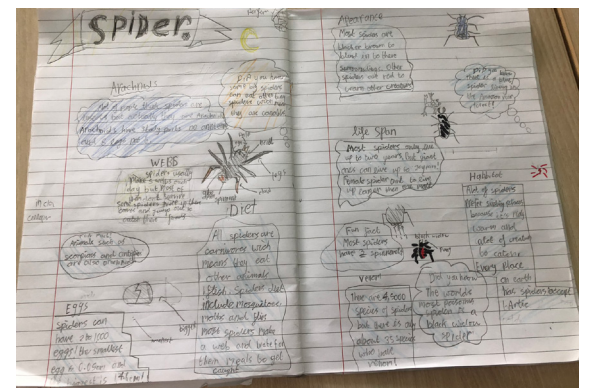

Independent writing helps develop a child's sense of ownership over their skills and

provides quiet time in which they can learn, create and explore uninterrupted and at their own pace. (Ms Dom Brown)

## Class assembly

"Year 4 have been inspired by 'Charlotte's Web' to create these wonderful double-page information texts all about spiders. The children used their iPads in Teams to do lots of research before deciding how they wanted to present their learning. I am very proud of how hard they all worked." - Ms Melissa Martin

## Diary Dates

- NAS Jakarta Virtual Open Day on **Thursday 7th April**

- School closure for the public holiday on **Friday 15th April**
- Term 2 ends at **12:00 on Friday 22nd April**

**NORD ANGLIA SCHOOL**  
JAKARTA

## Virtual Open Day
