

1

We teach globally respected curricula to deliver excellent academic outcomes.

We provide a choice of the International Baccalaureate, Swiss Maturité, French Baccalauréat and American diplomas, allowing students to select precisely the right course of study for them.

We have a 97% pass rate across the diplomas, and in our annual parent survey 93% of parents stated that their child receives a high-quality education at Collège du Léman.

Our students go on to universities around the world, including those ranked in the top 50.

2

Our dedicated teachers enhance your child's learning.

We recruit and retain outstanding teachers from around the world. We are part of the Nord Anglia Education family of schools, receiving 32 applications for each teaching position.

Our team of experienced staff are adept at integrating students from all nationalities and backgrounds to ensure a smooth start to their studies.

Our teachers experience world-leading professional development both within the school and through Nord Anglia Education's extensive training programmes.

3

Our stunning green, village campus creates a warm community spirit that promotes health and well-being.

Spanning 50 green acres, our spacious campus includes more than 20 individual buildings. We are a large school with a small school atmosphere, providing a uniquely welcoming, village feel.

Situated at the edge of Lake Geneva, close to the Swiss Alps and less than 20 minutes from the airport, our students experience a safe, healthy and active outdoor lifestyle.

We bring together our day and boarding students on one campus, creating strong, life-long friendships. In our parent surveys 95% of parents state their child is happy in school.

4

We tailor our exceptional range of learning choices to bring out the best in your child.

The breadth of our 5 diplomas and more than 100 extracurricular activities allows for personalised and optimised learning plans for every student.

Our world-class language and bilingual programmes for English, and French are tailored to each student.

Our curricula are enriched by one-of-a-kind collaborations with MIT, UNICEF and The Juilliard School.

5

We develop our diverse, multi-cultural student body to become compassionate global citizens and leaders.

Our 'RISE' values of Respect, Internationalism, Team Spirit and Excellence are at the heart of everything we do, uniting our community of 117 student and 35 teacher nationalities.

Collège du Léman is part of a virtual Global Campus of Nord Anglia schools in 29 countries, and in our surveys 85% of parents say their child is developing global awareness in school.

There is a network of more than 23,000 Collège du Léman alumni around the world, many of whom occupy leadership positions in top multinational organisations.

6

As a Swiss international school, we set the highest standards of excellence in everything we do.

Collège du Léman was founded by a leading Swiss educator, with the aim of offering a learning experience that has the precision and excellence Switzerland is famous for.

Our neutral Swiss culture provides an inclusive, safe sense of belonging for all nationalities, cultures and creeds.

We are proud to be recognized around the world as a prestigious school, but at the same time we nurture a sense of humility and social responsibility in our students.

You want the best for your child. So do we.
