RE: KS 2 (New) PARENT WORKSHOP – MATHS AND LITERACY
Tuesday 13 January 8:45am - 9:30am Stage One

Dear Parents/Guardians,

We would like to invite you to a (New) Parent Workshop.

This workshop is an opportunity for you to come and learn more about the different approaches we use to teach Literacy and Maths. You will learn more about;

- the curriculum
- teaching and learning strategies used
- how each student is challenged and supported to achieve their best
- how student progress is assessed and monitored
- how parents can support children's learning at home

We will try to answer any general questions about Maths or Literacy but specific questions related to your child should be directed towards their class teacher. We hope you can join us for this workshop and look forward to seeing you there.

Kind regards,

Niki Meehan
Head of Primary
