Thursday ASAs

Name	ASA	Day of the Week	Year Group	Min #	Max #	Location	Description
STEAM Year 1&2	Tiffanie Burt Anto Riboldi	Thursday	1, 2	15	20	A202	Please do not sign up for this ASA if you did this STEAM ASA in Season 1 & 2. STEAM is a curriculum based on the idea of educating students in five specific disciplines — Science, Technology, Engineering, Art and Mathematics — in an interdisciplinary and applied approach. This club will pique students' interest in those areas so they want to investigate and find out how things work and how they are made.
Chinese Watercolour	Alice Song	Thursday	3, 4, 5, 6	10	20	A216	Come and join the Chinese water colour painting club. This is a Chinese traditional painting skill that has a very long history. You can experience brushes with different colours to finish a beautiful painting work. Each week we will learn some new skills of painting and complete a piece of water colour painting work.
Competitive Chess	Aaron Falzerano	Thursday	4, 5, 6	10	18	A 314	Learn the fundamentals of advanced chess, like opening theory, positional strategy, and tactics. Students will correctly notate their own games, as well as learn how to play timed games. Children must already know how to play chess to join this ASA.
French for Beginners	Lisa Davies	Thursday	1, 2	15	20	A307	Bonjour! Come and join this ASA if you would like to begin to learn French. There will be fun games and songs to learn in French. We will learn things like greetings, colours, animals and numbers in French and complete activities connected to these.

Hour of Code	Rugera Wanjara	Thursday	5,6	15	22	A305	The Hour of Code is a global movement which started with a one-hour introduction to computer science, designed to demystify "code" and show that anybody can learn coding basics. Our units need to be completed over several weeks for one hour at a time. Hour of Code activities broaden participation in the field of computer science for our children. Students will be able to earn Hour of Code certificates upon completion of the entire course.
Musical Theatre - Aladdin	Gemma Robinson Kaila Yadlin	Thursday	5, 6	15	25	Theatre	Have fun with theatre and music by learning songs and choreography from the well known and loved tale from 1001 Arabian Nights, with a performance to parents and teachers during the final ASA session. Learn the most popular songs from the show, learn dances from the show, practise small scenes between characters and perform to an audience.
Playdough	Michelle Bourne Crystal Miao	Thursday	1, 2, 3	15	20	A118	Learn together how to make your own play dough, experimenting with different scents and textures. You will also have time to play with your dough, making and creating your own designs. You will take the play dough home to continue the fun!
Yoga Year 3&4 - Run by a parent - TA supervision needed	Christina Tu	Thursday	3, 4	5	10	A111	This ASA will be run by two BSB parents who are trained yoga instructors. You will learn different yoga poses and relaxation methods
Garage Band	Mia Cao Vivian Hu	Thursday	5, 6	12	20	A110	In this ASA we will make our own music using Garage Band. You will need to bring your iPad and we will create our own songs!

Maths Quiz	Airen Sister	Thursday	3,4	12	15	A313	Enjoy a range of Maths exercises specially designed for you to practice your math and logic skills.
