About Nord Anglia Education

Nord Anglia Education (NAE) is the world's leading premium schools organisation, with campuses located across dozens of countries in the Americas, Europe, China, Southeast Asia, India and the Middle East. Together, our schools educate tens of thousands of students from kindergarten through to the end of secondary school. We are driven by one unifying philosophy: we are ambitious for our schools, students, teachers, staff and communities, and we inspire every child who attends an NAE school to achieve more than they ever imagined possible.

Every parent wants the best for their child — so do we. NAE schools deliver high quality, transformational education and ensure excellent academic outcomes by going beyond traditional learning. Our global scale enables us to recruit and retain world-leading teachers and to offer unforgettable experiences through global and regional events, while our engaging learning environments ensure all of our students love coming to school.

2018/19

Every parent wants the *best* for their child. So do we.

At Nord Anglia Education, we think beyond traditional education to transform learning.

Our students are supported at every stage of development to achieve exceptional academic outcomes, while our wide range of programmes and outstanding facilities allow students to develop transferrable skills needed for life after school.

By nurturing success, our alumni go on to attend leading universities around the world, creating pathways to diverse and impressive careers.

Combined with our Be Ambitious philosophy, our personalised learning and world-leading teaching leads to academic, personal and social success for students at every age.

We further enrich our schools' teaching and learning through collaborations with world-leading institutions such as The Juilliard School, the Massachusetts Institute of Technology (MIT) and UNICEF.

Academic results 2018-19

Nord Anglia Education's rate of academic improvement consistently exceeds national and global averages across the internationally respected curricula taught in our schools, including the IB diploma, IGCSE, A levels and others. In the 2018/2019 academic year, our students continued to achieve outstanding academic results thanks to our schools' transformational approach to education.

IB Diploma results

- Average IB diploma score of **33** points, more than **10%** above the global average
- **1,269** Nord Anglia students sat the IB Diploma examination this year

CBSE in India

- **200+** exam takers
- **127** students achieved **75%** and up
- **36** students achieved **90%** and up

Students from the following schools received a perfect IB score of 45 out of 45:

- The Village School
- The British School Warsaw
- British International School of Chicago, South Loop
- British International School of Houston

Class of 2019

Devanshika Bajpai - Oakridge International School, Hyderabad, Gachibawli (Newton)

With an impressive IB Diploma score of 43, Devanshika has fulfilled her lifelong dream to read History at the University of Oxford's Somerville College.

Lorcan Moore - The British International School of Houston

Head boy Lorcan Moore was one of four standout NAE students in 2019 who achieved the perfect score of 45 points for his IB Diploma. Lorcan has now taken up his place at King's College London to study Medicine. He is also a quadruplet and his three siblings have begun their studies at different top 15 UK universities.

Anushka Lakhani - Nord Anglia International School Dubai

After an impressive school career, which included running the Model United Nations after-school activity and the Global Goals Challenge, Anushka scored a fantastic 41 points in her IB Diploma. As a result of her success she has begun her university studies at New York University, majoring in International Relations.

Nguyen Cong Minh - British Vietnamese International School, Hanoi

Nguyen has made the move to London having achieved an A* and two A's in his A levels to secure his place at world-renowned British university Imperial College London to study Biological Science.

Grace Bennett - Windermere Preparatory School

IB Diploma recipient Grace has become the first ever WPS student to be appointed to the US Military Academy at West Point, where she will major in Electrical Engineering. As well as being president of the robotics club and a multi-sport athlete, Grace trained extensively with her US Army veteran softball coach to secure her place.
