RE: YEAR 5 AND YEAR 6 MATHS EVENNG, 4:30-5:30PM TUESDAY 23 FEBRUARY 2016

Dear Parent/Guardian

I am delighted to invite you to our first problem solving Maths Evening. This will take place in Stage One on Tuesday 23 February, from 4.30pm until 5.30pm. It will involve problem solving challenges for you to complete with your child/children, offering the chance to use mathematical skills. All children attending must be accompanied by an adult.

As we may need to tailor the activities and location based on numbers attending, please indicate your interest by returning the slip below to your class teacher if you are planning to attend. The latest date for your reply is Friday 19 February. As the session begins at 4.30 pm, children not attending ECAs should go home as usual at 3.30 pm and return to school at 4.30pm with a parent. Please indicate below your child's end of day arrangement.

If you have any questions, please do not hesitate to contact us via e-mail at a-foster@bisspuxi.com. We look forward to hearing from you and hope to see you for an evening of fun and learning.

Yours Sincerely

Andrew Foster
Primary Maths Coordinator
