Refer a Family Programme

At Compass International School Doha we believe that our current families are our greatest advocates and we want to reward you for promoting our school to your family, friends and colleagues. Starting for term 2 of the 2020/21 academic year we are delighted to introduce our Referral Programme. It is a way for Compass International School to say thank you for your trust and confidence.

For each new student you refer who enrolls at Compass International School, we will reduce your subsequent term fees by QAR 750. The tuition reductions are per student referred (not per family) and there is no limit to the number of students you can refer. Please see page 2 for the full terms and conditions of the programme.
