

Head of Campus update

Dear Parents,

Our first annual family event, the Rainbow Picnic, got off to an excellent start last Friday. Thank you for the very positive feedback we received on the day and after the event. There were lots of smiling faces and I'm sure you will agree that it was the best yet; with a wide range of activities, sports and fun items added this year. It was lovely to share food, chat informally and to see so many of you there. Thank you to Staff and Legacy Sports for supporting the event.

This week I have seen many wonderful learning opportunities around school. I have really enjoyed seeing pirates, talking with significant people from all over the world, learned how to halve 3-digit numbers easily and other maths strategies, heard some of Year 1 read, and watched a sudden rain storm which EY1 were caught in!

Not to mention Y4's art gallery and some very exciting ICT projects which Mr Akhtar has been facilitating across school.

School photographs will be taken on Sunday 15th, Monday 16th and Tuesday 17th of November. If you require family photos to be taken after school on those dates, please email Jan, our Secretary, jan.flattley@nais.qa. Some photos will also be taken to use for school marketing purposes. If you did not elect to 'opt out' on the original school agreement for your child's photo to be used and you wish to do so now, please email our Marketing Manager : kathryn.mcculloch@nais.qa

Next week, Year 4 will be visiting Katara to watch the Qatar Philharmonic Orchestra's performance of Benjamin Britten's Young Person's Guide to the Orchestra. Further information about orchestral instruments and the Composer can be found on

http://www.classicsforkids.com/music/instruments_orchestra.asp

As you are aware, there have been cases of H1N1 flu virus in Qatar and we confirmed one case in school. The illness was reported to us immediately and the child kept at home so there have been no further cases to date. The campus was deep cleaned and disinfected and the School Nurses have been monitoring classes for any signs or symptoms. Hand hygiene has been reinforced and sanitizer made available in each classroom. If your child has flu symptoms, please keep them at home and seek medical advice immediately. You must then inform the school and keep your child at home until advised by the Doctor to return. If you have any concerns, please contact our Lead Nurse Lyn Hill on lvn.hill@nais.qa

Ann Djedid

Upcoming dates

15th-17th November: School Photographs.

19th November: EY-Y1 Assembly; Y4 trip to Katara

21st November
GoalZ Tournament, Y5/6 boys.
