Starters: PSHE

Talk about what you want to be when you are older.

Ask parents what they wanted to be when they were younger.

Research how you could achieve your goal.

Create a poster showcasing your goal and how you can get there.

Main Course – you **MUST** do these every week:

- Read for 15 minutes - 5 times per week
- Learning weekly spellings
- Times table practise
- 15 minutes on Mathletics/Reading Eggs – 3 times per week
- Numeracy – Worksheet
- 1 x Literacy Activity Sheet

- Everyone **must** finish the main course every week. Work must be completed in your Home Learning books and returned to school on Wednesday of each week.
- Everyone **must** attempt one, or both, of the project deserts. You will be asked to present your work to your teachers and peers.
- If you are feeling *extra* hungry, you can order from the starters. These will focus on a different subject each week. Each dish has a difficulty rating. The more chilies, the more *challenging* the task!
- Why not spend some time tackling some of the family side dishes. Time spent as a family is important and you can learn together whilst having fun.

Dessert: Project to be completed by 22 February!

- Build a solar system with facts.
- Make your own Greek outfit out of old materials around your house.

Sides: Family Fun

- Try something new.
- Go to the park with someone.
- Do a chore around the house.
