INTRODUCTION TO AFTER SCHOOL CLUBS TERM 1 2021/22

Dear All,

Thank you for taking the time to visit the After Schools Club (ASC) Programme Booklet for Term 1 2021/22. This booklet has been compiled to help both parents and students when making decisions within the ASC Programme. Please see the booklet as your companion to the programme!

Despite the challenges of the last academic year for the ASC's, staff were still able to offer a wide range of activities throughout the different age groups and students were still able to select from a many and varied range of choices, despite largely being online. Just as it does in physical school, the ASC Programme aims to provide students with a platform of learning that is beyond the conventional curriculum or sometimes is just not possible in the regular curriculum due to time constraints.

- This results in a mixture of academic enrichment, sporting, performing arts and creative arts activities.
- All activities will run from 3:00pm until 4:00pm on the respective days
- All activities will be live but may be supported through videos or recorded materials
- This is a perfect opportunity for students to access opportunities that might be limited within the scope of the curriculum. This is a perfect opportunity to learn something new.
- Activities for EYFS are limited to reduce screen time and also for KS4/5 (year 10-13) to help facilitate academic commitments

If at all you have any questions about the ASC programme, please feel free to contact me. All details for the registration process can be found within this booklet. I hope the activities we have assembled here are just what you are looking for from the ASC programme this term and I look forward to seeing you all once activities begin shortly.

MONDAYS

Spanish Club

by Ms. Castillo - Available for Years 1 - 4

Spanish club is a perfect opportunity for students to improve and enjoy the linguistic skills of Spanish. Through fun playing games, singing songs and doing arts and crafts, students will grow in their knowledge and love of the language.

Triathlon Club

by Ms. Nyein, Mr. Lin & Mr. Saw - Available for Years 3 - 6

Triathlon is one of the most gruelling and challenging sports there is, combining the disciplines of swimming, cycling and distance running. Despite the constraints of online learning, our awesome swim team will be using the Triathlon Club as an opportunity to teach the key and fundamental skills of these three individual sports. The club promises not only to teach these skills and techniques but also improve fitness and mental strength too.

WEDNESDAYS

Mindfulness Club

by Ms. Chicot - Available for Years 1 - 4

In this club children complete a range of activities to promote wellbeing, resilience and team building skills. A lot of the activities are child initiated with the children planning what they want to do and link it to wellbeing. Developing respectful views for each child, as we allow the children to plan and discuss the things we do. This also links to our own Global Campus. We will talk about anything we want to, whether it be issues or problems at home or school, any worries we might have and configure how to deal with them. Most importantly, students will learn to identify what makes us all happy! In this club, we learn about different feelings and emotions, how to deal with these in a safe way and how to have positive solutions in place, so we can be in control of ourselves.

Reading Out Loud Club

by Mrs. Fox - Available for Years 3 - 6

A wonderful Wednesday wellbeing moment - come along and listen to a story. Be ready to ask questions, stretch your imagination and enjoy a book together. In keeping with the mindfulness and wellbeing needs of all our students, this club is an excellent opportunity for students to unwind and learn together.

WEDNESDAYS

KS3 Panto

by Mrs. Kennaugh, Mr. Kay & Mrs. Das - Available for Years 7 - 9

Calling actors, singers, dancers and artists (set design and costume design) for our first on-line KS3 production. The sole purpose of Panto is to make you laugh, dance and sing your heart out. Our panto will be recorded (and edited) for the whole school to enjoy in December (at Christmas time). Often based around fables and fairy-tales, this a popular form of theatre which incorporates song, dance, buffoonery, slapstick, cross-dressing, in-jokes, topical references and audience participation. See last year's Staff Panto (Ms Snow and her Class) as an example! Come and join the show!!

REGISTRATION PROCESS

ASC Term One Registration Form

Please click and complete the Google form above to register. The deadline for registration is Friday 24rd September @ midday. Thank you.

Each student is able to register for **ONE** activity per week, for this term. The final week for activities will be the week beginning Monday 29th November. It is important to remember that:-

- Some activities have number caps, so you may not get the activity you registered for. If so, you will be contacted to discuss alternative options. If activities are over subscribed, preference will be given based on those who registered earliest.
- Some activities will require equipment and/or utensils, such as The Great British Bake Off or Arts & Crafts, for example.
- Some activities will need preparation beforehand, so you are ready to begin at the start of the lesson, such as the Gym Sessions or LEGO Club

As well as standing for After School Clubs, ASC also stands for A Serious Commitment!!! When making your selection, please be conscious of the following:-

- The programme will run for several weeks. It is important to be present and punctual when you have your ASC, just like any regular school day lesson
- Some activities may require commitment beyond of the scope of the ASC, in order to run smoothly, such as KS3 Panto or Coding with Scratch
- Please make informed decisions about your ASC. Do not register unless you are committed, as this may prevent other students from getting a place in that club. Follow your passion or try to find a new one.....

Once the registration deadline has passed, you will be contacted to confirm your place, along with the details of how to join the class online. Activity leaders may also be in touch if there are specific needs/requirements for the class too. I wish you all an amazing term of ASCs - please do not hesitate to contact me if you have any questions or concerns.

Best Regards,

Mr. G. Obie
