School Development

- Phase 1: Four classrooms will be built for September 2015
This will ensure the year on year growth including Year 9.
- Phase 2: Twenty classrooms will be built for September 2016
This will offer more specialist curriculum teaching spaces for the Secondary School students
- Phase 3: Twelve more classrooms will be built for September 2017

The school will have grown to offer sixth form provision before sending our students off the university.
