# Empowering your child to excel

Our Be Ambitious philosophy drives our educational offer. We believe there is no limit to what your child can achieve. We ignite your child's curiosity and tell them to reach for their dreams, to step outside their comfort zones, and above all, to be ambitious.

Our world renowned curricula, outstanding teachers and stimulating environment will mean your child loves coming to school.

We offer:

- Globally respected curricula, including the English National Curriculum, HSK, International GCSEs and International Baccalaureate, enriched through unique collaborations to deliver excellent academic outcomes.
- World-class British teachers who personalise the learning experience for your child, offering them a wealth of opportunities to excel.
- State-of-the-art facilities that bring STEAM to life for every child through hands-on learning, creating the next generation of innovators.
- More than 150 events a year in an engaging learning community - making our school *the* place to learn, make friends and enjoy Shanghai life.

## Academic Excellence

We enhance our programme through our world leading collaborations with MIT, Juilliard and UNICEF. Our rigorous and personalised approach to learning leads to outstanding academic success. More than 65% of IB students receive offers from the world's top 100 universities.

## World Class Teachers

Global recruitment brings the highest calibre British teachers to our school. We support them to create exceptional learning experiences with leading-edge resources, professional development and an

unparalleled global network of educators from Nord Anglia, MIT and Juilliard.

## Stimulating Innovation

Our state of the art facilities, including STEAM innovation centres, create an environment of creativity. We offer a rich variety of learning opportunities, including 260+ extra-curricular activities, to amplify learning and develop excellence in leadership, communication and teamwork.

## Global Education

Your child will develop true global awareness in our student community of more than 50 nationalities. Our Global Campus connects more than 50,000+ students worldwide through innovative curricular experiences and challenges to prepare students to get ahead in the changing world of the future.

# Internationally Respected Curricula

Our schools offer rigorous, internationally-recognised curricula and qualifications including the English National Curriculum, HSK, IGCSEs and International Baccalaureate. We believe that this provides your child with a global education passport, equipping them to study anywhere in the world.

Dance Studio, Music Technology Suite, Practice Rooms, Auditorium

## Exceptional *facilities*

We pride ourselves in providing the best possible environment for your child to learn.

We invest in our campuses to ensure that they are modern and bright, with top-quality facilities for sports, drama, and learning.

From lush sporting pitches to state-of-the-art technologies, your child will have access to everything they need to be a creative, curious, and successful learner.

Our school is designed to promote learning and well-being, and features modern facilities for sport, study and the arts. With amenities ranging from a huge swimming pool to a rugby grade astro-turf pitch, music and dance studios and study areas, we invest in your child's growth.

We believe education is meant to be personalised. We treat your child as an individual by adapting to their personal learning preferences and we ensure they have access to the right facilities.

Our school delivers more than the ordinary. We use technology to enhance your child's learning experience. We're always exploring new ways to bring subjects and ideas to life. Our collaborative online Global Campus programme brings your child closer to fellow students across the world, while our MIT Makerspaces are designed to spark your child's creativity in new ways through technology such as 3-D printers, green-screen rooms and robotics.

*Jared Nolan*  
Head of Primary

*Preparing* your child for  
the world stage.

*We inspire your child to embrace tomorrow's opportunities. Our collaborations with world-leading institutions such as MIT and Juilliard give students the confidence to invent the future.*

# Educating for the future

We educate your child for the future, enhancing learning through collaborations with the world's best organisations. Individually tailoring our approach to your child enables them to achieve outstanding academic results whilst developing the skills and mindset to thrive in a changing world.

## Juilliard

### Performing Arts with The Juilliard School

In collaboration with The Juilliard School, we aim to transform your child's understanding of the performing arts. Students will discover iconic works, and their creativity and collaborative skills will flourish with help from a worldwide network of performers and teachers.

### STEAM with MIT

This practical, hands-on programme will open your child's eyes to the possibilities of science, technology, engineering, arts and mathematics. Students will tackle challenges and workshops created by MIT experts, and develop skills that will help them invent the future.

### Our UNICEF Collaboration

We work with UNICEF to introduce your child to some of the planet's most pressing issues. Through World's Greatest Lesson, our Student Summit and our Global Challenges, we inspire them to think about how to change the world for the better.

With more than 50 international schools in the Nord Anglia family, the world is at your child's doorstep. Our Global Campus platform brings together young people from different countries and cultures, and encourages them to collaborate, create and learn.

“The Juilliard-Nord Anglia collaboration is a positive and enriching experience for students at the school. With programmes in Dance, Drama and Music, pupils are in the unique position of being able to benefit from specialist training and resources from all three disciplines of Performing Arts.”

*Andrew Lancaster*

Head of secondary

# Outstanding *academic* performance

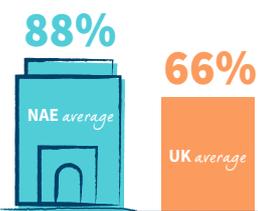

Nord Anglia students are taught to thrive in a world that is rapidly changing. Our approach to learning goes beyond grades, building the character and confidence required to achieve impressive, unique futures.

A Nord Anglia Education helps your child achieve more. We offer world-class teaching and unique opportunities that help students achieve exceptional grades and develop strong values and ambitions. Nord Anglia offers a premium global education that nurtures success.

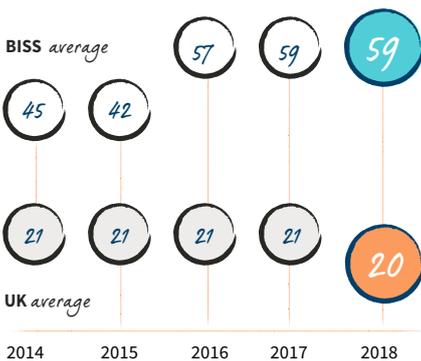

For the I/GCSE, 90.2 per cent of our students' grades were A\* to C. This was significantly higher than the UK average of 66.9 per cent.

## 14-16 YEARS OLD

### IGCSE Grades at A\*-C

### IGCSE Grades A\* - A

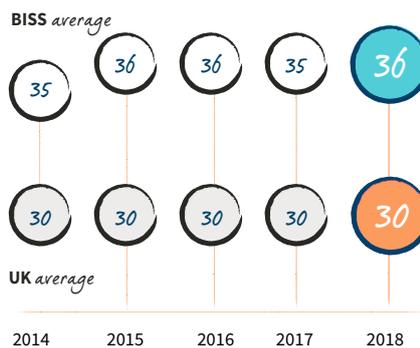

In the IB Diploma, our students achieved a 100 per cent pass rate, topping the global average of 78.4 per cent.

## 16-18 YEARS OLD

### International Baccalaureate Diploma results

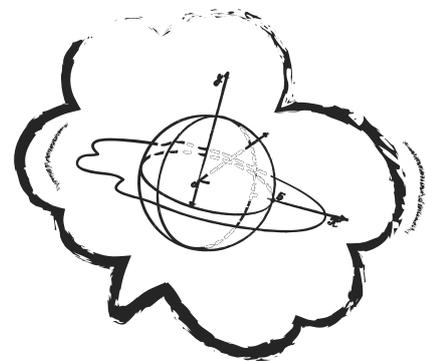

The maximum point that can be achieved is 45 points.

In the 2017/18 academic year, one in three of our graduates went on to one of the world's top 100 universities.

“Our school is a truly extraordinary place of learning. We are ruthless in the pursuit of excellence, which is what keeps us at the forefront of premium education.”

*Dr Neil Hopkin*  
School Principal
