Starters: Times Tables

Watch the **4x times tables song** on YouTube following the link:

<https://www.youtube.com/watch?v=9ue9Kux95H0>

Try and learn the words to sing along in class.

Create a word search using your **times table words**. Bring your word search in to school for a peer to solve.

Create a times table card game using the game template from class. Bring your game in to be laminated if needed. These games will be used in class when we are learning our times tables.

Main Course – you **MUST** do these every week:

- Reading- 3 times per week
- Spellings- see blue spelling book
- Times Tables
- Mathematics
- Reading Eggs

- Everyone **must** finish the main course every week. Work must be completed by Tuesday.
- Dessert projects are optional. If you have completed it, you will be asked to present your work to your teachers and peers.
- If you are feeling *extra* hungry, you can order from the starters. Each dish has a difficulty rating. The more chilies, the more *challenging* the task!
- Why not spend some time tackling some of the family side dishes? Time spent as a family is important and you can learn together whilst having fun.

Dessert: Optional projects are due on **Thursday 7 February 2019**

- Design and make your own rainforest habitat. What animals are found in your habitat?
- Create your own poster with facts about rainforests and deforestation. Why shouldn't we cut down trees? Why do we need rainforests?

Sides: Family Fun

- Go on a trip to the park. Have a look at the different plants you can find.
- Make salad with your family to have at a family meal. What vegetables can you include? How do they grow?
