

# Year 1 Home Learning Menu

## Starters: Reading

With your family, use your imagination to tell a story.

With the story that you have thought up, create pictures to re-tell the story.

You can write words to describe the story that you have made. Write the words under the pictures.

For a harder challenge, write your story in full sentences.

## Main Course

Home Learning goes home every Sunday.

- High Frequency Words.
- Reading Book – read 3x a week to an adult. Record any feedback in the Reading Record. If feedback is not given your child will not be given a new reading book.
  
- Everyone **must** complete the main course.
- Dessert projects are optional. If you have completed it, you will be asked to present your work to your teachers and peers.
- If you are feeling *extra* hungry, you can order from the starters. Each dish has a difficulty rating. The more chillies, the more *challenging* the task!
- Why not spend some time tackling some of the family side dishes? Time spent as a family is important and you can learn together whilst having fun.

**Dessert:** Optional projects to be brought in **3<sup>rd</sup> February**.

Create a world map and pin point your favourite holiday destinations. You can create a map using different materials and colours. You can make the map 2D or 3D. You can add photos if you wish.

## Sides: Family Fun

- Visit [Qatar National Library](#) and become a member. Together as a family pick a book that you would like to read at home.
