

Year 6 Home Learning Menu 15.03.18

Main Course – you **MUST** do these every week:

- Read for 15 minutes - 5 times per week
- Learning weekly spellings
- Times table practise
- 15 minutes on Mathletics/Reading Eggs – 3 times per week

Dessert: Project to be completed by **28th March!**

- Create your own invention. You will need to create a model of the invention and an explanation card.
- Make a short experiment which demonstrates how to separate materials.

Starters: IPC.

Create a fact file about a favourite invention of yours.

Research a brand new invention that has been in the news lately.

Change an invention that has already been made.

Make your own invention using recycled materials.

- Everyone **must** finish the main course every week. Work must be completed in your Home Learning books and returned to school on Wednesday of each week.
- Everyone **must** attempt one, or both, of the project desserts. You will be asked to present your work to your teachers and peers.
- If you are feeling *extra* hungry, you can order from the starters. These will focus on a different subject each week. Each dish has a difficulty rating. The more chilies, the more *challenging* the task!
- Why not spend some time tackling some of the family side dishes. Time spent as a family is important and you can learn together whilst having fun.

Sides: Family Fun

- Listen to a sibling read and record it in their reading record.
- Ask an adult to read you one of their favourite books.
- Complete an activity on Global Campus and write about it in your Primary passport to earn a stamp.
