

ST. ANDREWS

International School Bangkok

A NORD ANGLIA EDUCATION SCHOOL

"Our mission is to provide an inclusive, international education in a safe, happy, supportive and stimulating environment where all the needs of the individual learner are met. Students are inspired to be the best they can be, enabling them to become responsible global citizens."

French/Spanish Teacher

French is a popular and well-established subject at St. Andrews and we are looking for an experienced teacher to join the team. Class sizes are small and the students are motivated and enthusiastic, enjoying a lively approach to the subject through a wide range of teaching and learning techniques. The ideal candidate will convey enthusiasm for the subject and contribute collaboratively in the continued development of the curriculum from Year 3 to Year 13. August 2017 will be a very exciting time to join St Andrews, as we open our new 11-18 Campus.

French is taught both as a modern language and as a first language for those children who are native speakers. French for native speakers follows a first language curriculum which is differentiated for the individuals in the small groups that are taught in each year. The curriculum followed focuses on the development of the whole language, including speaking, reading, listening and writing, especially grammar. It is designed so that, with their parents' support, children with fluent French or a high competence in the language will continue to develop this strength, and continue on to study IGCSE French First Language and French A in the IB Diploma Programme.

French as a modern language is taught to students from Year 3 onwards, with students choosing from French, Spanish or Mandarin. Students continue with their chosen language until the end of Year 9, when they can then opt to study languages at IGCSE. All Key Stage 5 students have to study two Language or Literature subjects in the IB Diploma Programme, with students who have studied French at IGCSE choosing to study it as a French B, while those students who have not studied French at IGCSE can choose to study Ab Initio.

The ideal candidate will have the experience, and flexibility, to teach French as both a First Language and an MFL across both Primary and High School age-ranges, including to IGCSE and IBDP students. Previous experience of teaching these courses, and also of teaching Spanish, will be a significant advantage.

At St Andrews, we pride ourselves on being an inclusive school, and have an excellent reputation for supporting children with special educational needs. Experience of teaching children with dyslexia, mild autism, ADHD etc. would be very good prior experience for a teacher wishing to join our team. Our Mission Statement commits us to meeting 'all the needs of the individual learner', and this applies equally to those students targeting the very highest grades at IGCSE and IB.

All Languages classrooms have data projectors, interactive whiteboards and access to the internet, and there is a strong commitment to integrating the teaching and use of ICT skills into all areas of the curriculum, where appropriate, with laptop carts, iPads and ICT labs bookable when required. As well as their teaching, all teachers are also expected to contribute positively to both the school's pastoral systems and the extra-curricular programme, offering an Extra-Curricular Activity that either supports or extends the students' learning in their subject area, or from another area of personal interest.

Click [here](#) to complete the application process through Jobtrain. If you require any further information, please email recruitment@standrews.ac.th. The closing date for applications is **Friday 12th May**, with applications being reviewed as they are received.
