Co-curricular Activities Booklet

Early Years & Infant Campus
Term 2 & 3 2021

Co-Curricular Activities (CCAs) are an integral part of the education offered at BIS HCMC and provide our students with a broad range of learning opportunities which impact positively on many facets of their development, including academic progress.

Term 2&3 - Monday 22nd February to Sunday 6th June 2021 (12 weeks or 13 weeks)

Welcome to the Co-Curricular Activity programme (CCAs) at the Early Years and Infant Campus (EY&I). The programme is designed to extend existing learning opportunities beyond the classroom and to give all children a wider range of fun experiences that enhance the core curriculum. This booklet will help your child to choose their activities for Term 2 and 3, 2020-2021. Teachers will also discuss with children their options prior to sign up.

As part of our continued enrichment programme, the CCAs are organised into 5 categories to help all children choose a variety of clubs to aim to vary their experiences.

The categories are: Art, Community, Language, Sports, and Technology

Clubs are divided into 2 different types:

Free Activities – offered by BIS staff covering a wide range of different activities.

Paid Activities – offered by outside providers, these clubs often require specialist tuition.

In addition to this, sport squads will be chosen by the PE department based upon a strong ability level linked to prior performance. Children may be invited to join some of the initial sessions before final decisions are made.

For Term 2 and 3 clubs, each child in F2 to Y2 is entitled to enrol in:

F2 to F3 children – One free CCA per week and unlimited paid CCAs.

Y1 to Y2 children – One free CCA per week and unlimited paid CCAs.

Please note;

Due to the age of the children in F1, there are no CCAs offered to this year group.

All CCAs at the EY&I are 45 minutes in length.

Children on the bus should have your own arrangement.

How to register your child for CCAs

You will be able to register your child for CCAs from Wednesday 6th January at 12.00pm until Wednesday 13th January 2021 at 12.00pm.

Activities have maximum and minimum numbers which change according to the activity.

Once the maximum number of children has been reached for an activity, then the activity will be 'closed'. Children who sign up for paid CCAs that are oversubscribed will be placed on a waiting list.

CCAs may be cancelled if there are not enough children as required.

Paid Activities

Paid Activities are a part of the Co-Curricular Activities programme. Children can sign up for as many paid activities through CHQ as they want, subject to numbers.

Those who have been allocated a paid activity will be informed via email with an attached liability waiver to be printed, signed and returned to reception. Payment needs to be made through online bank transfer within the payment period, **Monday 25th January to Friday 29th January 2021**. Details of making the bank transfer will be sent via email upon allocation. If payment is not made during this time, then the place will be offered to the children who have been placed on a waiting list.

Please note, unless BIS cancel the programme, all paid activity payments are non-refundable; once committed, children must persevere with their club choice.

Online Activity Selection

All activities (free and paid) need to be selected online. Please see below for instructions.

You will be able to see updates and changes to your approved activities through your online CHQ homepage.

Please note that your preferences may not always be possible to allocate.

Please take time to read through the rest of this booklet and log on to CHQ when the Term 2 and 3 database opens.

If you have any questions please do not hesitate to contact Ms Van at, van.pho@bisvietnam.com.

I hope your children enjoy the activities on offer.

The screenshot shows a web browser window with the URL `seasia.mychq.net/ActivitiesSubmitted.aspx?block=1235&phase=0201&email=Y`. The page header is red with the text "British International School - HCMC - Beyond the Classroom" and a home icon. A dark sidebar on the left contains a user profile for "Phuong" and a list of navigation links: "My information", "My schedule", "My messages", "Documents", "Calendar", "UI settings", "Select profile", "Log out", and a language selector "Aあ". The main content area is titled "Activity Choices Submitted" and includes a thank-you message and a note that the submission is a receipt confirmation. Below this, a table shows the current activities status for the 2020-2021 Term 1 (Junior) 2021. The table has two columns: activity details and status. At the bottom of the table, there are two links: "Please click here to go to your 'my profile' page." and "Or click here to go to the activity choices page again."

Here's the current activities status for 2020-2021 Term 1 (Junior) 2021

▶ [Please click here to go to your "my profile" page.](#)
▶ [Or click here to go to the activity choices page again.](#)

Please note, you need to consider club choices **very carefully**, as all clubs will be selected randomly by CHQ, **and there will not be an option to change clubs once selections have been made**. Changes of clubs are time consuming for the office staff and the decision has been taken to be strict with the no-change procedures. So please save any disappointment by **choosing very carefully**. Due to all clubs being chosen randomly, there will be those who miss out on CCAs, so we apologise in advance to those who do not get their initial choices. However, the system does record those who missed out on clubs and they will be given preference for that club in Term 2 and 3 if it is offered again.

Before the club programme begins on Monday 22nd February 2021, click onto the 'My Schedule' tab and scroll through to Monday 22nd February 2021 - you will be able to see your accepted clubs. In addition to this, all accepted clubs will be confirmed to you via email before the Term 2 and 3 club programme begins.

Please remember that you may choose as many paid clubs as you wish that fit into your child's schedule and all clubs are subject to a minimum and maximum limit - **once filled there will be no additions.**

Please note – If you forget your login details, please follow the instructions below.

At the iSAMS website, click 'Forgotten your details?'. The system will ask you to fill in your username and the Security answer. You click 'Reset password' after adding this information.

Good luck with all club choices and we are looking forward to an outstanding CCA provision!
