This week is the Residential Trip. Students can arrive at school on Monday at the normal time and we will depart on the buses at 9.00 am approximately. We would like all students to wear their t-shirts to school for a group photograph before we leave. The activities of the week include hiking, biking, climbing, a scavenger hunt, gardening and a range of team building events. The students will also have a range of evening entertainment.

Please note that further to previous information, students should not bring money as there is no opportunity for spending.

During the week students will have access to their phones at some point between 6.00 – 7.30 pm.

We will return to school on Friday at approximately 5.00 pm.
