

In order for us to contact you quickly and easily, your child needs to have an **Emergency Contact Form** completed by his/her parent/guardian and kept on file in the school office. Please keep this information updated throughout the year.

[Student Emergency Contact Form](#)

Dear Parents,

## Welcome to issue 7 of the NAS Jakarta Newsletter 2021-22

On Tuesday afternoon, we welcomed Early Years parents to our campus to meet informally whilst their children enjoyed playing in our outdoor areas. It was lovely to see some of our new families mingling with others who have been a part of the NAS community for longer. The NAS Parent Ambassadors and I are looking forward to meeting parents of Years 1- 6/7 students on Wednesday 17th November at 15:15 (see Dates for your Diary below).

Since the beginning of November, we have been providing face-to-face learning every day for our Early Years classes. Here's a little glimpse into their daily experience "[Early Years Returning to School](#)".

Learning to take responsibility and to develop leadership skills are important aspects of student life here at NAS, so read on for a couple of recent examples.

At NAS we teach the International Primary curriculum (IPC) and this newsletter contains a snapshot of Year 4's learning during their "What's on the Menu?" topic.

Finally, I would like to briefly update you on the regulations regarding face-to-face learning. The local authorities are strictly enforcing their restrictions at the moment, so we cannot make any changes to our current provision. I would like to thank you for your understanding and patience at this time.

Wishing you a restful weekend.

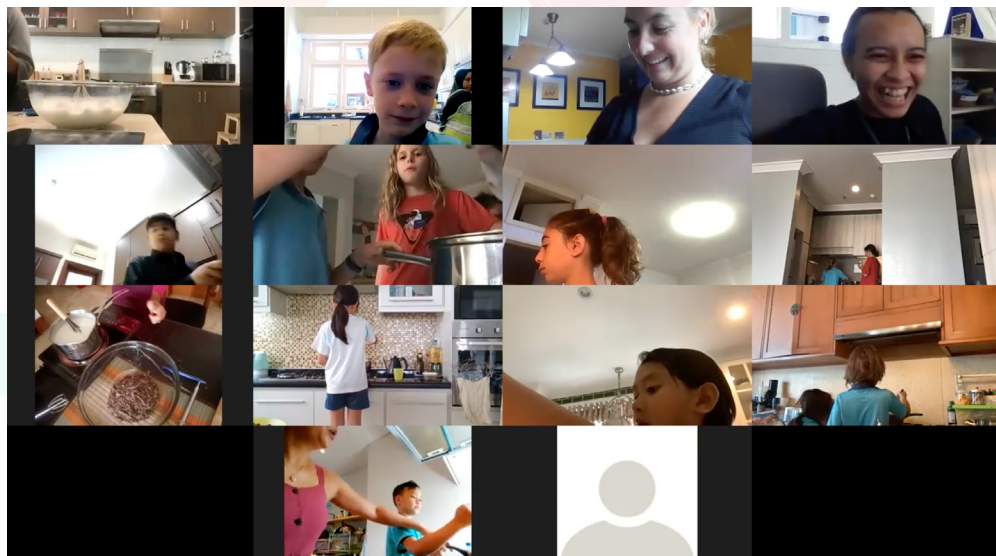

Kind regards,

**Rosy Clark**

Principal

## A Look at Learning

### Meaningful, hands-on learning through the IPC (International Primary Curriculum)

Last week, Year 4 had a wonderful virtual visit from Ms Ruth who owns a cooking business here in Jakarta. Ms Ruth showed us all her spices and ingredients in her kitchen. Most importantly, she taught us how to make a

delicious, and easy, 3 ingredient chocolate mousse! We all found it pretty tricky to leave it to set in the fridge for a few hours because it was just SO scrumptious! Huge thanks to Ms Ruth and we hope to do some more cooking with you soon!

Here's a photo of my yummy chocolate mousse!

its too  
gooooooooooooooooooooooooooooo

## What's New!

### Meaningful, hands-on learning through the IPC (International Primary Curriculum)

The Pari Mantas have been learning the art of writing persuasively and are pictured here meeting Ms Rosy in her office. There was just one item on the meeting agenda which was to persuade the Principal to allow football to be played on the field during breaktime. Each student had the opportunity to read aloud their persuasive letter and to engage in some discussion with Ms Rosy.

How successful was the meeting? To find out how persuasive the students' arguments were, please ask your children after Tuesday's assembly when the Pari Mantas class will deliver a report to the rest of the school.

## Student Voice update:

NAS Student Voice met the community leaders from one of our local kampungs to present them with money raised last academic year to build

a ramp for flood prevention. They found out why the money raised will make such a difference and asked some great questions to learn what the community is doing to help prevent flooding in the future. They learnt that community leaders are supporting another local kampung, teaching them about the impact of throwing rubbish into the rivers and canals, and how this causes further problems when it rains.

## Diary Dates

**Family Afternoon** Parents of Years 1 – 6/7 students are invited to meet and enjoy some refreshments whilst the children play from 15:15 – 16:30 on Wednesday 17th November.

**A Bedtime Stories** session takes place online **every Wednesday at 17:45**
