

Dear Parents

This letter has been sent home to inform you about your child's learning for **next week**.

In **Literacy**, we will be getting and giving feedback on our recent piece of writing, a newspaper article. We will then be learning about features of instructions.

In **Numeracy**, we will be continuing to learn about multiplication by making multiplication arrays.

In **Science**, we will be learning about the dark and how darkness is the absence of light.

In **IPC**, we will be learning to build Lego models using instructions and then design our own piece of technology of the future using Lego bricks. We will design our own instructions so someone else can build our model. In Qatari History, we are learning about public and private property and how we should take care of it for others' enjoyment.

In **PSHE**, we will be learning about how to be more relaxed and noticing how our body feels with different emotions.

In **ICT**, we will be engaging with activities from education city.

For **Spellings**, the children will be moving to their new phonics group based upon their recent assessment. There will be no spelling test as the week will be an introduction into their new group.

Notice & Reminders:

- Please ensure your child is wearing the correct school uniform. All children must be wearing a school tie if they wear our white shirt, and the shirt must be tucked in.
- PE kit, including trainers, should only be worn on PE days.
- Please sign up for a Parent Meeting using the link provided if you wish to meet with your child's class teacher. The meeting will be a chance for you to discuss the report which you will have just received, if you wish to.

Sunday 25 March: <https://form.jotform.me/80504449573460>

Wednesday 28 March: <https://form.jotform.me/80542112673450>

Have a lovely weekend!

Yours faithfully

Year 2 Team
