To apply for admission to DCIS please submit the Application Form and the required documentation listed below. You are encouraged to make your application package as complete as possible. We will contact you if further information is required.

The personal data collected from applicants and/or their parents/guardians pursuant to this application form will be handled by our staff, kept confidential and used by DCIS for lawful and relevant purposes including but not limited to:

- Assessing the suitability of applicant's admission to DCIS
- Processing applications for admission
- Verification of the applicant's examination results, academic records and other information
- School administration and operation after admission
- Statistical and research purposes

Personal data may be stored in our or our affiliates' database systems (which may be located within or outside Singapore) and online portals. Failure to provide the requested data may result in us being unable to process the application and may influence the outcome of the application. Please review our full Personal Information Collection Statement on the school website: <https://www.nordangliaeducation.com/our-schools/singapore/personal-data-protection-policy>.

Important Note: Any special social, medical, dietary, psychological or educational needs must be noted, with supporting information or documentation attached. If the applicant has been tested for any educational, social, emotional or psychological purposes, the test results must be submitted with this application. Please refer to the declaration section of this application in reference to the withholding of any additional testing materials during the time of application. We strive to make every effort to place your child in the most appropriate pathway to meet their needs. As a child develops, unidentified needs may present following enrolment. In this case, we may need to re-evaluate a child's pathway to ensure that they are appropriately supported. This may require a movement of pathway (class).
