

21st August 2019

Dear DCIS Parents and Carers

We look forward to seeing primary parents at Curriculum Evening on Thursday, 29th August. Curriculum Evening is a wonderful opportunity for parents to meet the staff who will be involved in your child's education, to receive an overview of our curriculum for the year ahead and to clarify policies and procedures. Although this is not an opportunity for parents to discuss individual pupil progress with teachers, it is an important opportunity to learn more about the curriculum and approaches at DCIS.

There will be two sessions this year, and we would like to invite you to attend one of them as outlined below. However, if you have more than one child and would like to attend both year group presentations, you are welcome to attend either session.

Session 1

5pm introductory session in the Cooper Hall with The Senior Leadership Team followed by a Curriculum Presentation by the teaching team at 5.20pm for parents with children in the following classes:
