

Head of Campus update

Dear Parents,

It is lovely to see the cooler weather has arrived at last and we are now all enjoying using the outdoor space.

This week we had the photographer in school, taking individual, class and family photographs. They will be available approximately one month from now via the Pret a Portrait website www.pret-a-portrait.net. They also took some great learning shots for our yearbook, which you will see later in the year.

We have had many enquiries about admissions for next academic year. The schedule will be as follows:-
Priority Sibling Registration:
Sunday 6th December
 New admissions for 2016/17 will officially open from **10 January 2016**
 Re-enrolment for current students will start on **15 February 2016**.

Further information will be given on transfers to our other campuses and Year 6 to Year 7 transition to secondary at Madinat Khalifa.

Our School Secretary, Jan Flattley, will be on leave until January due to personal circumstances. Ms Liena Zarroug, who many of you know well, will be replacing Jan temporarily.

Legacy Sports, who had the inflatable sports equipment at the Rainbow Picnic, will be working with us next term to promote sport in school. Please see their latest newsletter with information about them and planned events. They hope to be able to offer the equipment for birthday parties which may be of interest.

This week Y3a, Y3b and Y3/4 had a shared entry point for their new IPC Unit 'Scavengers and Settlers'. Mrs Djedid sent everyone an email to

say that there had been some unusual items discovered on the Astroturf and could Year 3 and 4 investigate. When we arrived, we found that we had been transported back to the Stone Age. We had to work as a team to build our own shelters, make our own (pretend) fire, gather food and try to communicate without using any words! That was challenging for some!
