

Dear Parents

This letter has been sent home to inform you about your child's learning for **next week**.

In **Literacy**, we will be revisiting nouns and adjectives. We will also be focusing on writing sentences using capital letters, full stops and the correct font size.

In **Numeracy**, we will be ordering 2-digit numbers, recalling number bonds to 20 and using bonds to 10 to help us solve bonds to 100.

In **Science**, we will be learning about what liquids dissolve in water. We will also be conducting an experiment to see if we can get salt back from warm water once it has dissolved.

In **IPC** we are starting our new exciting topic 'The Magic Toy Maker'. We will be looking at different types of toys and thinking about the differences between old and new toys.

In **ICT**, we will be learning about how to login and access Mathletics. We will be using our logins in the front of our communication books so you can practise at home.

In **PSHE**, we will be learning about to be a good friend and what it looks like in school.

For **Spellings**, students will receive their spelling lists on Thursday and will be tested on the list the following Thursday.

### Notice & Reminders:

- Please remember to check your child's Communication Book daily.
- Please remember to like our Facebook page (Year 2 Naisak) for updates from the Year group.
- Please remember that sports ECAs start this week.

Have a lovely weekend!

Yours faithfully  
Year 2 Team
