**RE: NATIVE FRENCH, GERMAN AND SPANISH FUN EVENT - FRIDAY 20 MAY 3.40-5.30PM**

Dear Parent/Guardian

We would like to bring all students from the Primary and Secondary MFL native programmes together with their parents on **Friday 20 May from 3.40-5.30pm** to enjoy some fun activities to finish off the term.

We will be arranging a number of activities including:

- a treasure hunt for the children
- a quiz for the parents (prepared by the children)
- a French / German / Spanish book, magazine and games exchange

The activities will take place in the covered area outside Secondary School Quad (opposite the Secondary School Sports Hall). We hope that you and your children can come and join this fun social event. Could you please indicate on the reply slip below if you are able to come and whether you would be willing to help out with the arrangements on the night?

We would like to ask parents to make a small contribution of tasty treats from their home country so that the children (and adults) can enjoy some snacks as part of this event. Please also indicate below if you are willing to contribute some snacks.

We would also like to hold a book, magazine and games exchange where children can swap these items in their native language that they no longer want in exchange for something new to read or to play. Could you please indicate below whether your child will take part in the Book, Magazine and Games Exchange? In order that we can get this set up in advance, please can your child bring their swapping books and items into school in the week leading up to Friday 20 May and give them to their Native Language teacher.

All Primary School children will need to be accompanied by a parent or guardian and Year 3 and 4 pupils will need to be picked up from the main door in Primary at the end of school and brought across to the Secondary School Quad. Please note that Primary age children cannot be supervised by an older sibling.

There will be no buses provided and so parents are responsible for arranging transportation home for themselves and their children after the event.

I do hope that you will come and join in this end of term Native Language fun. We look forward to seeing you on 20 May !

Yours sincerely

Fiona McConnon  
Head of Global Languages
