**RE: YEAR 9 PARENT INFORMATION EVENING ABOUT iPADS IN THE CLASSROOM**

Dear Y9 Parents,

We wrote to you a while ago about the introduction of iPads into the year 9 programme from January. A number of people have raised some questions and since the answers may be of interest to other parents we'd like to invite any year 9 parents who wish to come to a presentation next week. We'll answer the questions we've been asked, talk a little about what we are doing and why, and take any other questions people have.

This will be on Tuesday 2 December at 7:00pm in Stage One in the Primary School. Please let us know, by emailing Suya Yan ([sy-yan@bisspuxi.com](mailto:sy-yan@bisspuxi.com)), if you are planning to be there so we can make the necessary arrangements. Please also let us know if there is a particular issue you'd like us to address or a particular question you'd like answered.

We are still intending to host the evening in January we referred to in the original letter we sent you, so that we can talk about the programme, share experiences and answer questions that arise from using the iPads in the classroom situation, and you will be very welcome to come to that as well or instead.

Kind regards,

Chris Share  
Head of Secondary
