SATURDAY 28TH November

U19/U14 ISAC Cross Country Championships @HISB
Canceled due to un-safe running conditions.

U11 ISAC Table Tennis Championships @WAB

Primary school table tennis players played in their ISAC competition on Saturday at WAB. Our 7 players were divided into 6 groups. The top 8 players went through to play for a place in the top 24 play offs in division 1, with the remaining players trying for a chance to proceed in division 2. All players played 2 or more hours of table tennis this morning. Micheal and Luca continued to play in the top 24 play offs. Michael was our player of the day as he stayed top of his division throughout the day and then went on to win division 1. A great job by all the players. Well done Micheal, Luca, Maurice, Sam, Daniel, Martin and Chris.

Some great pictures and video, take a look when you have time.
