

Primary ECAs Term 3 2021-2022

Year	Activity	Description
Year 1	Primary Under the Sea	Under The Sea club – Each week we will discover new facts about our exciting oceans and complete a different activity. We will cover geography, arts and crafts and global citizenship. 
Year 1	Primary Board Games	Board games are intellectually stimulating and fun to play. Through playing these games, you can master new skills and concepts in an enjoyable way! Feel free to bring and share your favourite board game with your friends!
Year 1	Primary Basketball	In our Basketball ECA, we will be practicing all the key skills needed for this super fun sport! We will be working on our catching, throwing, dribbling and shooting skills as well as developing our teamwork!
Year 1	Whizz Kidz - Fun Science	Our little scientists will explore the world through fun and exciting hands-on experiments. Each week, we will explore a new topic and concept. The scientists will learn to make predictions, conduct experiments and make sense of their observations.
Year 1	Brazilian Lions Football	Our programs teach students how to better control their body and lay the foundation for skills they'll learn as they improve. We blend games with technical training to give them a fun session and an unforgettable experience!
Year 1	ABA Productions Drama	Imagination Nation: Tap into our boundless creativity and discover all the things we can imagine through fun drama activities. Students will stretch their imagination to create a new world and transform themselves into characters. Where will our imagination take us?
Year 1	Primary Multi-Sports	Take part in lots of different activities including; obstacle courses, basketball, gymnastics and more!
Year 1	Primary Story Telling	Come and join the Storytelling ECA if you like listening to stories, retelling stories or creating your own stories. Stories help us understand various cultures and traditions, sharpen memory, boost listening, speaking and language skills and encourage your imagination to run wild as the story unfolds.
Year 1	Primary Numbots	We will use the ipads to explore the Numbots world and get all the different metals to build a robot. NumBots involves an understanding, recall and fluency in mental addition and subtraction, so that they move from counting to calculating.
Year 1	Primary Story Writing Club	In Story Writing club, the children will be listening to some favourite stories and learning about the structure of a story. They will then be planning (using a cartoon strip) and then writing their story over a few weeks. The children can then add illustrations to their stories and bring them home to share with you.
Year 1	Primary Yoga	This extra-curricular activity is brimming with yoga and mindfulness!

		Each week children will go on a different yoga adventure. This experience helps to grow strength, build balance, coordination, confidence and so much more!
Year 1	Proactiv Sports - Mini Rugby	Mini Rugby is a fun and active start to being part of a team through the joy of rugby. By developing the principles for the love of physical activity, team work, and the skills of rugby at early ages we are aiming to develop strong values and skills that can be used throughout a lifetime.
Year 1	London Dance Studio - Modern Dance	Modern dance gives girls and boys a class that gives the benefits of Ballet with the fun of Street Dance! The lessons are based around the structured ISTD syllabus which involves learning set exercises as well as free dances, providing the children with the opportunity to take exams. Always a popular class.
Year 1	Primary Glockenspiel Club	Come and learn the basics of this wonderful instrument! This is great for developing rhythm, hand eye coordination, melodic patterns and memory and most importantly, a fun and creative opportunity to explore music.
Year 1	Primary Fine Motor Fun	Come and join Fine motor fun! You will be developing your fine motor skills by joining in a range of different engaging and exciting activities. These include getting creative with playdough and Lego, developing our Origami skills and getting arty with finger painting. If you want to strengthen your fine motor skills while having fun, then Fine Motor Fun is the choice for you!
Year 1	Primary Maths Games	Come and play some exciting maths games! You can improve your skills, make new friends and most importantly have lots of fun!
Year 2	Primary Junk Modelling	Enjoy exploring your creativity whilst helping look after our environment. Junk modelling exercises the imagination and promotes problem-solving and self-expression. Start collecting clean recyclable junk from your home and bring it along to turn it into a fabulous piece of art!
Year 2	Primary Mindfulness Watercolour Painting	Do you love art? Do you love to paint? Come along and develop a new superpower skill- MINDFULNESS! Mindfulness water-colours is a fun and active way of feeling calm, focused and happy while painting. What a perfect way to finish the end of a school day!
Year 2	Primary Lego Challenge	In Lego Challenge ECA, the children will be invited to try a different weekly challenge that they can build in small teams, pairs or individually, depending on the task. They will have an opportunity to be creative in their designs, as well as learn the importance of teamwork whilst developing their fine motor skills. Ready, Steady Lego!
Year 2	Whizz Kidz - Fun Science	Our little scientists will explore the world through fun and exciting hands-on experiments. Each week, we will explore a new topic and concept. The scientists will learn to make predictions, conduct experiments and make sense of their observations.
Year 2	Brazilian Lions Football	Our programs teach students how to better control their body and lay the foundation for skills they'll learn as they improve. We blend games with technical training to give them a fun session and an unforgettable experience!
Year 2	ABA Productions Drama	Role Playing: Through role-playing games, we will transform ourselves into characters and imagine what it would be like to walk in these

		characters' shoes. We will explore how these characters walk, talk and think. Students will get to practise putting themselves in someone else's shoes
Year 2	Primary Book Club	Book Club ECA will give our Year 2 students the opportunity to develop their passion for stories and reading. Some of the activities will include creating our own story endings, using drama to act out our stories and designing a front cover for a book.
Year 2	Primary Playdough Fun	Playdough is a simple school staple that lets children use their imagination and strengthen the small muscles in their fingers - the same muscles they use to hold a pencil and write. It also encourages children's language and literacy, science and maths skills, all at the same time!
Year 2	Primary Ukulele Club	Would you like to learn a new instrument? Is that instrument a ukulele? If you've answered yes to both then you are in the right place. This will be a fun introduction to the world of the uke and is suitable for complete beginners. Grass skirts not provided.
Year 2	Primary Busy Things - Computer Skills	Want to get Busy? Want to explore one of our online learning platforms which we only have access to in school? Then come and get Busy with Mrs Cornes on "Busy Things". Children will learn to navigate around Busy Things to increase their access and independence with this technology. We will explore some of the familiar activities we have been introduced to during our ICT and Computing lessons as well as taking a wider, more personal approach to our interests via Busy Things.
Year 2	Primary Jewellery Making	Please come and join Mrs Kelleher's Jewellery making ECA. We will use a range of beads, charms and other resources for our creations!
Year 2	Primary Multi-Sports	Take part in lots of different activities including; obstacle courses, basketball, gymnastics and more!
Year 2	Proactiv Sports - Karate	Karate is one of the most beneficial martial arts in the world. Children will learn the fundamentals of Karate while also being taught discipline, self control and most importantly respect. Children will have the opportunity to go for grading and to progress to the next belt level.
Year 2	Primary Board Games	In this ECA the students will learn the tactics and rules for a variety of boardgames. A great board game can help develop the children's confidence and improve their problem solving and strategic thinking skills. Children are welcome to bring their favourite board game from home to share with the class.
Year 2	Primary Basketball	In our Basketball ECA, we will be practicing all the key skills needed for this super fun sport! We will be working on our catching, throwing, dribbling and shooting skills as well as developing our teamwork!
Year 2	Primary Creative Story Writing	Creative writing club offers a fun opportunity for students to explore different techniques of writing. They will have a chance to utilise their creativity and imagination through brainstorming exercises and writing prompts.
Year 3	Primary Variety Club	Do you like to take part in a wide range of activities and like the idea of trying something new weekly then this is the ECA for you, each week students will take part in a different activity from Arts and Crafts

		to Lego, Board Games to STEAM, plus many more, who knows what is in store for us! But what we do know is that it will always be fun and with our friends.
Year 3	Primary Construction	During construction club the children will use a variety of material to make different structures such as bridges, houses and towers. We will be testing different materials and designs to see how strong they are.
Year 3	Primary Arts and Crafts	Welcome to year 3 arts and crafts! In this ECA, you will do a variety of different arts and craft activities including drawing, origami, painting and much more!
Year 3	Proactiv Sports - Karate	Karate is one of the most beneficial martial arts in the world. Children will learn the fundamentals of Karate while also being taught discipline, self control and most importantly respect. Children will have the opportunity to go for grading and to progress to the next belt level.
Year 3	Whizz Kidz - Upcycling Art	As the saying goes, one man's trash is another man's treasure. Our budding artists will learn to use recycled materials and turn them into creative masterpieces. They will be taught various techniques such as weaving, painting, sculpting and more as they create their pieces.
Year 3	Brazilian Lions Football	Our programs teach students how to better control their body and lay the foundation for skills they'll learn as they improve. We blend games with technical training to give them a fun session and an unforgettable experience!
Year 3	Beatstreet Hip Hop	If you love to dance this class will take you to the next level. Learn some amazing moves while making new friends. This class incorporates all styles of HipHop from Pop to breakdancing.
Year 3	Primary Mindful Colouring	Mindfulness is the practice of paying attention in the present moment, it helps us to feel more relaxed. In this ECA, students will be given different options of colouring sheets to colour in. With mindful colouring, we draw our attention to the present moment, where it can improve our overall sense of well-being, it also practice training our minds to focus which can help in our study and work. The benefits of this activity also helps to promote creativity and provide potential to lower stress and anxiety levels.
Year 3	Primary Brass Club	Would your child like to play a brass instrument? At DCIS, we have a selection of p—Bones and p-Trumpets which are lighter, plastic instruments that have been specially designed to give younger children a great introduction to learning the trumpet or trombone. Please note that your child will need to have their full upper and lower adult front teeth to play the instruments.
Year 3	Primary Multi-Sports	Take part in lots of different activities including; obstacle courses, basketball, gymnastics and more!
Year 3	Primary Scrabble Club	If you love a vocabulary challenge then have a go at the Scrabble eca. You'll need to make words to gain as many points as possible. Come and join in for some friendly competition which involves a little English and maths.
Year 3	Primary Card Games	During this ECA, you will learn a range of card games, such as Go Fish, Rummy and Crazy Eights. We will be competing against our friends, taking turns and having fun. Playing card games is a fun and exciting way to improve maths and memory skills, as well as strategic thinking.

Year 3	Primary Collaborative Lego Structures	Collaborative Lego Structures' is an ECA where children will work together to construct buildings and models. It's an opportunity to work with others to solve problems and to reflect on their work. Children with experience teamwork, planning and have opportunities to present and explain their work.
Year 3	Primary Drawing Club	Drawing club is designed to encourage children to embrace their creativity. It will provide opportunities for students to open their eyes to fresh possibilities in drawing through fun challenges. We will explore and experiment with a range of drawing materials and techniques. We will also look for inspiration from the work of other artists.
Year 3	Primary Origami Club	Origami is the Japanese art of paper folding. Traditional origami consists of folding a single sheet of square paper into a sculpture without cutting, gluing, taping, or even marking it. This club is for beginner level, and we will learn how to make different animals and objects such as hearts and boats. Children will follow instructions and online videos to create different shapes. They will have the opportunity to showcase their designs and even teach the class what they have learned.
Year 3	Primary Rugby	A fun and competitive ECA that looks to improve and develop the children's catching, passing and decision making through gameplay.
Year 4	Primary Relax Kids	Relax Kids is a 7-step programme which supports children's mental and emotional health and wellbeing. The children will learn a range of tools and techniques to help calm their body and mind as well as building confidence and self-esteem. The 7-step approach uses fun and creative techniques to help children feel happier, healthier and more confident.
Year 4	Primary Passion Project	Take responsibility for managing your very own project at the Passion Project ECA! You will have the opportunity to develop your independence, time management, adaptability and creativity as you plan a project based on your passion. You will showcase your final product in the last week of our ECA to other members of the group. I can't wait to see what you come up with!
Year 4	Primary Variety Club	Variety Club offers an opportunity to try out new activities every week. You might find a new hobby or learn a new skill. We will make origami butterflies, Heather Galler inspired paintings and friendship bracelets. There will be lots of other activities too.
Year 4	Proactiv Sports - Tennis	Our Tennis program will focus on developing correct stroke technique and improving movement and coordination. Children will learn the rules of tennis and prepare to compete in games and tournaments
Year 4	Whizz Kidz - Sculpturing	Almost any material can be used to create a sculpture. In this club, we will explore various materials and their properties. Students will learn to use materials in creative ways when making their sculptures. Some materials that will be used include cardboard, natural clay, wires, newspapers, plastic, metals and more.
Year 4	Brazilian Lions Football	Our programs teach students how to better control their body and lay the foundation for skills they'll learn as they improve. We blend games with technical training to give them a fun session and an unforgettable experience!
Year 4	Primary Swim Squad	The swimmers develop their stamina, stroke techniques, starts, turns and

		finishes in preparation for competing against other Singapore schools (ACSIS). There are also virtual swim meets with the NAE schools all over the world.
Year 4	Primary Chinese Calligraphy	This ECA is going to introduce Hard-pen calligraphy, which is one of the Chinese traditional calligraphies. Students will know the different styles about Chinese characters, and practice the Kǎishū style (traditional regular script) with pencil in class.
Year 4	Primary Stop Motion Animation	In this club you will learn about one of the oldest forms of film making. Using Ipads, Lego and imagination you will create films to amaze, surprise and delight your family and friends. No experience is needed, just a desire to be creative.
Year 4	Primary Arts and Crafts	Come and join the arts and crafts ECA where we will get creative and learn some new skills. We will have fun drawing, painting, doing origami and other arty activities!
Year 4	Primary Card Games	During this ECA, you will get a chance to challenge your classmates to a competitive game of cards. We will learn new card games, enjoy some classic favourites and perhaps even make up our own! Card games encourage critical and lateral thinking, mental agility and problem-solving skills.
Year 4	Primary Ukulele Club	We may not be able to sing but we can certainly strum! This ECA provides an introduction to this wonderful instrument. You will learn how to tune your ukulele, learn the basic chords and strumming patterns to perform some favourite songs. Previous members welcome.
Year 4	Primary Multi-Sports	Take part in lots of different activities including; obstacle courses, basketball, gymnastics and more!
Year 4	Primary Introduction to Makaton	Welcome to a practical introduction to the Makaton Sign Language! We will learn about signing and symbol use and how to start using Makaton in everyday situations at school to communicate and even perform songs!
Year 4	Primary Netball	Come and enjoy the fun sessions of Netball where you can improve your skills & understanding of netball tactics & rules whilst having lots of fun!
Year 4	Primary Board Games	A fun filled session of problem-solving, collaboration and strategy. Come along to an ECA with Miss Lisek to make new friends, learn new skills and enjoy yourself!
Year 4	Primary Reading Club	The children will be share reading a chapter book. Then focusing on a variety of reading skills based on VIPERS- vocabulary, inference, prediction, explanation, retrieval and summarising.
Year 5	Primary News Club	This ECA helps students gain an awareness of current events and understand the importance of people, events and issues in the news. It encourages them to be a critical thinker and develop their research skills.
Year 5	Primary Rugby	A fun and competitive ECA that looks to improve and develop the children's catching, passing and decision making through gameplay.
Year 5	Primary Rock Band	The Band ECA is for students who are already learning an instrument, such as Drums, Piano, Guitar, Bass Guitar, or even Ukulele. We will focus on playing and performing together as a band, which requires different skills than playing by yourself. You should have an instrument at home, so you can prepare for each of our sessions.

Year 5	Proactiv Sports - Volleyball	Learn Volleyball the fun and easy way! Pick up the fundamentals of the sport including passing, serving, setting and spiking and learn about strategy and gameplay techniques to win on court. It promises to be exciting and challenging at the same time.
Year 5	SG Basketball - Basketball	Haven't been able to play or train basketball elsewhere? Your chance is here! SG Basketball is the leading basketball provider in Singapore. We will be providing training in Dover Court International School. You will learn the fundamentals of basketball while having fun. Join us now!
Year 5	Whizz Kidz - Acting and Movie Making	Do you love movies? This is the club for you. Students will learn to create storyboards, write scripts, direct, as well as learn about skills involved in the filming process. Some themes covered in the season include green screen and special effects, make-up, stop motion, and more.
Year 5	Primary Art	In the art ECA, children will explore different art mediums inspired by a range of artists. They will also decide on themes week on week by voting and deciding on their favourites. This will give them autonomy and creative freedom.
Year 5	Primary Minecraft	A range of challenges and tasks set individually and in teams! Can you build an underground lair for a super villain? How about a castle for a sleeping princess? Please note, participants need to be confident using Minecraft and a good knowledge of the programme is expected.
Year 5	Primary Chess Club	Do you want to give your brain a workout at the end of another busy week? If so, then come along to Mr Wigford's Chess ECA. This is open to all Y5 students, regardless of ability. All we ask is that you come along with a smile on your face ready to have some fun with your friends.
Year 5	Primary Origami Club	Origami is the art of paper folding and is a skill that can be tried by all and is a fine brain exercise. It has been shown to improve spatial visualization skills using hands-on learning.
Year 5	Primary Japanese for Beginners	In this ECA we will use interactive communication to learn basic Japanese greetings, vocabulary and conversation. Come and join us!
Year 5	Primary Library Club	This club is a chance to explore the library further and help out with all things library related! You will get a chance to help with library displays, challenges and organisation as well as a chance to read and discuss different books.
Year 5	Primary Multi-Sports	Take part in lots of different activities including; obstacle courses, basketball, gymnastics and more!
Year 5	Primary Swim Squad	The swimmers develop their stamina, stroke techniques, starts, turns and finishes in preparation for competing against other Singapore schools (ACSIS). There are also virtual swim meets with the NAE schools all over the world.
Year 5	Primary Board Games	Mr. Prescott is hosting a term of fun, competition and collaboration through the medium of board games! Each week, the children will look to defeat their classmates (and teacher!) through a mixture of strategy and fortune as they partake in a range of the most popular board games for children.
Year 5	Primary Story Writing Club	A chance to develop creative writing and story telling skills. Roll the

		story dice to see what wonderful worlds can be created and learn the features and twists that help an author to engage their reader.
Year 5	Primary Times Table Rockstars	Come join Mrs Rowe in Times Table Rockstars Club on a Friday. We'll practice our times tables in battles, arenas and festivals! We'll discuss the tricks to learning our tables quickly and efficiently and hopefully set up our own mini class.
Year 6	Primary Maths Competition Club	This is an ECA for those students who wish to further their maths learning by solving challenging and logical problems. We will be completing a mixture of competition style papers and questions, as well as team games. Please note that a good and thorough understanding of maths is required for this ECA.
Year 6	Primary Chess Club	Do you want to give your brain a workout at the end of another busy week? If so, then come along to Ms Ripper's Chess ECA. This is open to all Y6 students, regardless of ability. All we ask is that you come along with a smile on your face ready to have some fun with your friends.
Year 6	Primary Netball	In the netball ECA students will learn ball skills, improve general fitness and coordination and learn the rules of netball. The ECA will encourage students to build teamwork, strategise together and learn passing and throwing techniques. No prior experience is necessary!
Year 6	SG Basketball - Basketball	Haven't been able to play or train basketball elsewhere? Your chance is here! SG Basketball is the leading basketball provider in Singapore. We will be providing training in Dover Court International School. You will learn the fundamentals of basketball while having fun. Join us now!
Year 6	Whizz Kidz - Acting and Movie Making	Do you love movies? This is the club for you. Students will learn to create storyboards, write scripts, direct, as well as learn about skills involved in the filming process. Some themes covered in the season include green screen and special effects, make-up, stop motion, and more.
Year 6	Primary The Hit Factors	Calling all budding songwriters, music producers, rappers, lyricists and musicians. Hone your skills in collaborative songwriting projects and get ready to become YouTube or Spotify's next sensation. Please note for this activity that you should already be learning a band instrument (Guitar, ukulele, piano/keyboard/drums, voice) or have a strong interest in music production.
Year 6	Primary Virtual Reality	Are you interested in Virtual Reality(VR) and Augmented Reality (AR)? Have you ever wondered how VR experiences and games are made? Would you like to create your own VR experiences? If you answered yes to any of these questions, then this is the ECA for you! Using a range of tools we will design, create, and test our own VR games and experiences. You will learn more about the two mediums and find out about future applications. Throughout the ECA, we will be using a

		platform called CoSpaces for creation. There is a free APP version of CoSpaces that can be downloaded onto personal smartphones for the children to test their VR/AR experiences. The use of a personal device for the ECA is not essential but encouraged for the full experience.
Year 6	Primary Chinese Painting	Welcome to Chinese painting ECA. Chinese painting is one of the oldest continuous artistic traditions in the world. Come along and learn how to use the brush and ink and most importantly have fun.
Year 6	Primary Multi-Sports	Take part in lots of different activities including; obstacle courses, basketball, gymnastics and more!
Year 6	Primary Ukulele Club	Have you ever wanted to be able to play along to your favourite songs? Well.. there aren't many easier ways to do it than on a Ukulele. Come a join Mr Rowe for Ukulele Club. Whether you have played before, or are just a beginner, we will learn chords, rhythms and melodies and use these as the building blocks to learn entire songs.
Year 6	Primary Times Table Rockstars	Improve your times tables and see if you can climb up the leader board and help your class become the TTRS champions. Each week we will play some fun maths games as well as have some dedicated time to earn more points on TTRS. Can you become a Rock Legend like Mr Cairns?
Year 6	Primary History Club	Be a history detective at History Club! You will get the opportunity to investigate some of history's greatest mysteries and discover the truth for yourself. Each week we will look at the primary sources from a specific time in history and find out how it changed the world.
Year 6	Primary Instrumental Ensemble	Is your child already learning a musical instrument and would like to perform with others in a larger ensemble? During this club, the students will learn valuable ensemble skills about how to play with other musicians and how to give a confident performance. Please note that priority will be given to those already learning orchestral instruments.
Year 6	Proactiv Sports - Volleyball	Learn Volleyball the fun and easy way! Pick up the fundamentals of the sport including passing, serving, setting and spiking and learn about strategy and gameplay techniques to win on court. It promises to be exciting and challenging at the same time.
Year 6	Primary Coding Club	Interested in learning how to code? Join Coding Club where you will learn to code through interactive puzzles and experiences. We will use online coding platforms that will help introduce you to the computer languages used by some app developers. Hope to see you there!
Year 6	Primary Swim Squad	The swimmers develop their stamina, stroke techniques, starts, turns and finishes in preparation for competing against other Singapore schools (ACSIS). There are also virtual swim meets with the NAE schools all over the world.
Year 6	Primary Lego Challenge	Lego Club gives students an opportunity to build, create and problem solve! We will have a weekly theme challenge where children can explore and create Lego designs in teams and add their own creative flair!

Year 6	Primary Creative Writing	If you love writing and want a chance to share your writing and ideas with others and listen to theirs then join our Year 6 creative writing club.
Year 1-3	PATHWAYS Yoga	This extra curricular activity is brimming with yoga and mindfulness! Each week children will go on a different yoga adventure. This experience helps to grow strength, build balance, coordination, confidence and so much more!
Year 4-6	PATHWAYS Yoga and Mindfulness	This extra curricular activity is brimming with yoga and mindfulness! Each week children will go on a different yoga adventure. This experience helps to grow strength, build balance, coordination, confidence and so much more!
Year 4-6	PATHWAYS Body Movement	Body movement is designed to inspire students to move while improving their overall health and wellbeing. It comprises simple exercises/ obstacle course that requires them to practice their gross motor skills and turn-taking skills. Let's get up and move!
Year 1-3	PATHWAYS Arts and Crafts	Watercolours, origami, and 3D art are just some of the sample activities that we will experience in our calming, multi-sensory Arts and Crafts ECA sessions; perfect for winding down at the end of the school day!
Year 1-3	PATHWAYS Multi-Sports	Take part in lots of different activities including; obstacle courses, basketball, gymnastics and more!
Year 4-6	PATHWAYS Multi-Sports	Take part in lots of different activities including; obstacle courses, basketball, gymnastics and more!
