# **Strategic Plan 2019-2022**

## Mission

**“Inspiring dynamic, respectful and compassionate global citizens.”**

We are many communities, but we are one. An environment of intercultural understanding and integrity. A place where everyone is involved, valued and happy. A hub of innovation, enabling creativity and contemporary learning. A community where individuals succeed and make a difference.

## Vision

**“Excellence in everything we do”**

A dynamic NAE, IB Continuum World School in South East Asia where everyone succeeds.

## Values

**“Caring hearts, ambitious minds”**

We believe in the active engagement of the whole community. We believe that contemporary learning takes place when we are creative, collaborative and connected. We also believe that we have a shared humanity and we need to demonstrate compassion and ethical responsibility by enriching each other through our differences.
