TTT Deadlines: w/c 26th November (Deadlines extended by 1 week)

Year 7 – Art/DT, and French, Year 8 – Music/Computing, and Science, Year 9 – History and Mandarin

Global Campus

The Global Campus team is looking for 4 students to become our first GC Student Leaders. The role is open to Year 9 and 10 aspiring leaders that would like to promote and support the Global Campus alongside our teacher leaders. Parents of these year groups will have received an email with the details of the application information. The students that will be travelling to Tanzania have been working hard this term to plan their fundraising activities. They will all be at the Christmas Fayre on December 8th, running a variety of booths to raise money. Come along to support their service work in Tanzania.

Sports Report

Both the boys U16 and U12 basketball teams won comfortably, while the girls U16 basketball team lost narrowly. The U14 boys football team tied their and the U14 netball team had one win and one loss. Please note the morning basketball and running clubs have finished for this term.

Our subject in the Spotlight this week is Design & Technology

Year 7: Year 7s are focussing their design efforts on a wave protection barrier for the KS3 Design Project, The SMART Floating Farm

Year 8: Year 8s are learning about how a hydroponics system works and are designing a functional system as part of the KS3 Design Project, The SMART Floating Farm.

Year 9: Year 9s have been doing final blueprints for the Design Project, The SMART Floating Farm and are ready to put their CAD & CAM skills into practice!

Year 10: Year 10s are developing their woodwork techniques and are increasing their understanding of the skills and processes needed in joinery.

Year 11: Year 11s continue to work away on their individual GSCE projects and have just completed the research and investigate section of their design portfolio.

Update from IB Coordinator: Year 12 students have been allocated their supervisors for the Extended Essay this week. Years 12 and 13 have joined forces this week to prepare for an exciting assembly!
