

Dear Parents,

It has been a very busy start to the school year in Sport and our Secondary teams have been performing exceptionally well in the SISAC Volleyball, Rugby and Netball league fixtures. In addition, we have our U15 FOBISIA squad in training for the FOBISIA games in November, and we have all our CISSA boys' and girls' football teams prepared for the CISSA Football season that will start from Tuesday 13th October.

Last Friday evening our D1 Tigers' volleyball teams played against strong SCIS Pudong Dragons' teams in front of a full house with the school band blaring its music. The D1 boys' team played with passion and desire to win and their performance got the result they deserved by winning by two sets to nil. The D1 girls' game was a very close occasion and our girls lost the first set but dug deep and with their desire to win they went onto win the next two sets. The Tigers left the Dragons den with the win. Our D2 girls' and boys' teams both beat SMIC by two sets in their latest games, and our D2 girls' black team are making progress with each game but were unlucky to lose to both the SAS Pudong blue and red teams.

Last Saturday our U19 Tigers' netball teams played at BISS Puxi. Our D1 girls' team won all of their games and are still unbeaten for the season. Our U19 girls' 2nd team are improving with each game and were very unlucky to lose to BISS Puxi in a close game.

Our U19 Tigers' rugby team played at home last Saturday and came up against three good teams. In the first game the boys team were beaten 22 – 0 by a well drilled BISS Puxi team, who are still to lose a game this season. In the second game against SAS Pudong the team started slowly in the first half and went down by 7 points. In the second half we witnessed the boys dominating the game and they scored two tries. SAS Pudong were able to score another try and they won by 12 – 10 in a game the boys felt they should have won. Their last game of the morning was against the French School. The team played well but ran out of steam and lost by 15 – 5.

After the October break we have many tournaments and fixtures taking place for all of our NAIS Pudong Tigers' teams. All of our upcoming fixtures can be found on our website on the Sports Calendar and we do appreciate students and parents coming along to support when they can.
