## Supporting at Home

The support at home aims to document the student's relationship with the Holy Quran as the first source of knowledge, behavior, values, taste and beauty in order to build a Quranic mentality and psychology, by continuing to read the Qur'an and considering the provisions of intonation (*tajweed*).

One of the key elements of this support is to implant the love of Prophet Muhammad "peace be upon him" in the heart of the student through the experience of the Prophet's biography, and to highlight the life of the Prophet (peace and blessings of Allah be upon him) as a good example and a role-model to follow.
