

Integrated
ICT at
Northbridge

Hello!

I am Stu Reddrop

Grade 3 teacher and learning
technologies coach

FAMILY SCHOOL PARTNERSHIP

- *Be aware what your child is doing online.*
- *Be aware of legal ages for certain sites*
- *Be involved in their use of ICT. Ask them to show you how apps and software works.*
- *Parental controls*

What technology do we have in the primary school?

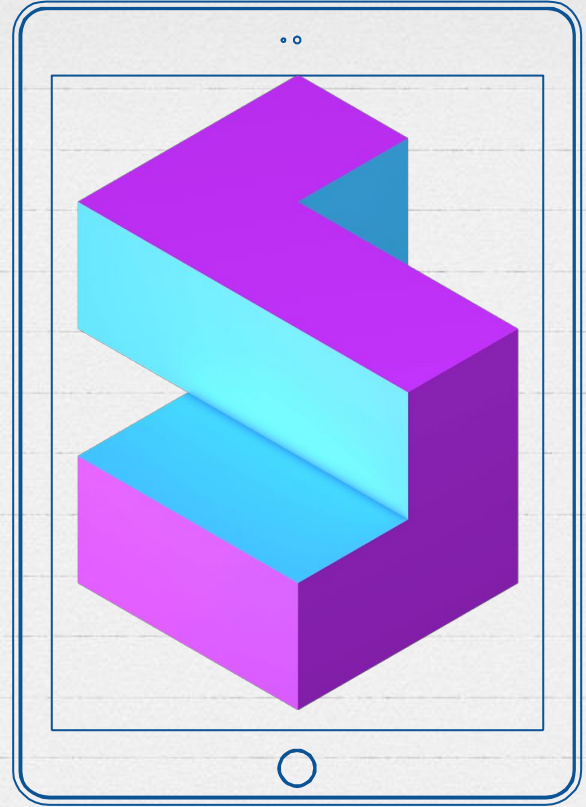

- 4 iPads per class in EL
- 5 iPads per class in KG, G1, G2
- One-to-one iPads in G2 and 3
- One-to-one laptops in G4 and 5 (+ 5 iPads)
- 10 iPads in the arts department

Your
activities
today!!

TC Studio

- Enables students to make professional looking news reports.
- Can be combined with other video apps.
- Lots of potential uses in literacy, science, history and many more

Green Screen App

- Lots of uses for making stories come alive
- Special effects!
- Can be combined with other apps

Stop Motion Studio

- Create stop motion animation films
- Make stories come to life
- Explain processes in science
