

NORD ANGLIA INTERNATIONAL SCHOOL, HONG KONG

Facility Engineer

Nord Anglia International School, Hong Kong is looking for a Facility Engineer. Reporting to the Premises Manager, the incumbent is responsible for coordinating and administering the facility services for the school. The role will be involved in the site set up, commissioning of all mechanical and electrical equipment, assuring on site services and health & safety management. The role will also provide support for the Premises Manager whilst maintaining day-to-day operation of the school in a safe and positive learning environment.

The successful candidate will have:

- bachelor degree in mechanical, electrical or architectural or related qualifications
- minimum 5 years' experience or above in facilities management or equivalent
- previous experience of opening new premises
- previous construction project management or related experience
- strong knowledge of electrical distribution systems and components, building and construction codes as well as a good understanding of mechanical building systems such as HVAC, plumbing, etc.
- good knowledge of school systems and processes would be an advantage
- have strong computer literacy skills such as Word, Excel and AutoCAD
- excellent command of written and spoken English, Cantonese and Mandarin
- strong organisational and communication skills
- a high level of personal integrity

Nord Anglia International School, Hong Kong is a new international school located in Lam Tin in East Kowloon. The fully renovated School will feature high quality facilities and resources for up to 660 students between years 1 to 7.

Nord Anglia Education is looking for someone with a positive, enthusiastic and self-motivated approach to their work, driven to strive for continual improvement and with a high level of personal integrity. As a member of the world's leading premium schools group you will be joining an active network of like-minded people in Hong Kong and across the world.

This is an exciting time to be joining Nord Anglia Education. We are the world's leading premium schools organisation with schools across Asia, the Middle East, Europe and North America. Nord Anglia Education has 28 schools in 13 countries and is responsible for the education of over 18,000 students.
