

Dear Parents

This letter has been sent home to inform you about your child's learning for **next week**.

In **Numeracy**, the children will be finding halves and quarters of numbers. They will learn new vocabulary, including the word divide. They will then use the knowledge of halves to find halves of different amounts of money.

In **Literacy**, the children will be learning about humorous poems. They will be looking at silly words and creating their own humorous poem verse.

In **Science**, the children are going to be starting a new topic, 'Pushes and Pulls'. The children will be discussing the different ways we move. We will be introducing the vocabulary run, jump, turn, swing, walk, slide, roll and stop. The children will also be identifying different forms of movements.

In **PSHE**, the children will be learning about the importance of being safe around medicine. We will be inviting our school nurse into the classroom to discuss how to be safe around medicine and the different medicines that we take.

In **IPC**, the children will be introduced to the new topic, 'From A to B'. They will explore the different types of transport, how they get to school and the different modes of transport in Qatar.

In **Art**, the children will be drawing a picture of what they did during their holiday and using water colours to decorate it.

Notice & Reminders:

- Please remember to check your child's Communication Book daily.
- Home Learning needs to be completed and returned back to the class teacher by Wednesday (1N/1A) or Thursday (1I/1S).
- Guided reading books and comment books need to be returned to the class teacher Wednesday (1N/1A) or Thursday (1I/1S).

Have a lovely weekend!

Yours faithfully
Year 1 Team
