

# STEAM Learning

**By Petrina Booth and Ian  
Broadbent, Heads of  
Primary STEAM**

# The 'Why'

**Embracing Collaboration, Creativity and Curiosity**

We must give our children the skills needed to thrive in the 21st century.

- Transferrable skills
- Flexibility
- Creativity
- Communication
- Experiment rather than wait for instructions
- Collaboration
- Critical thinking

# Accelerating Growth in Technology

# Our Learning Skills

## Curiosity

Be curious and ask big questions

## Creativity

Generate new ideas and apply them in practice

## Critical Thinking

Question and think through to possible conclusions

## Collaboration

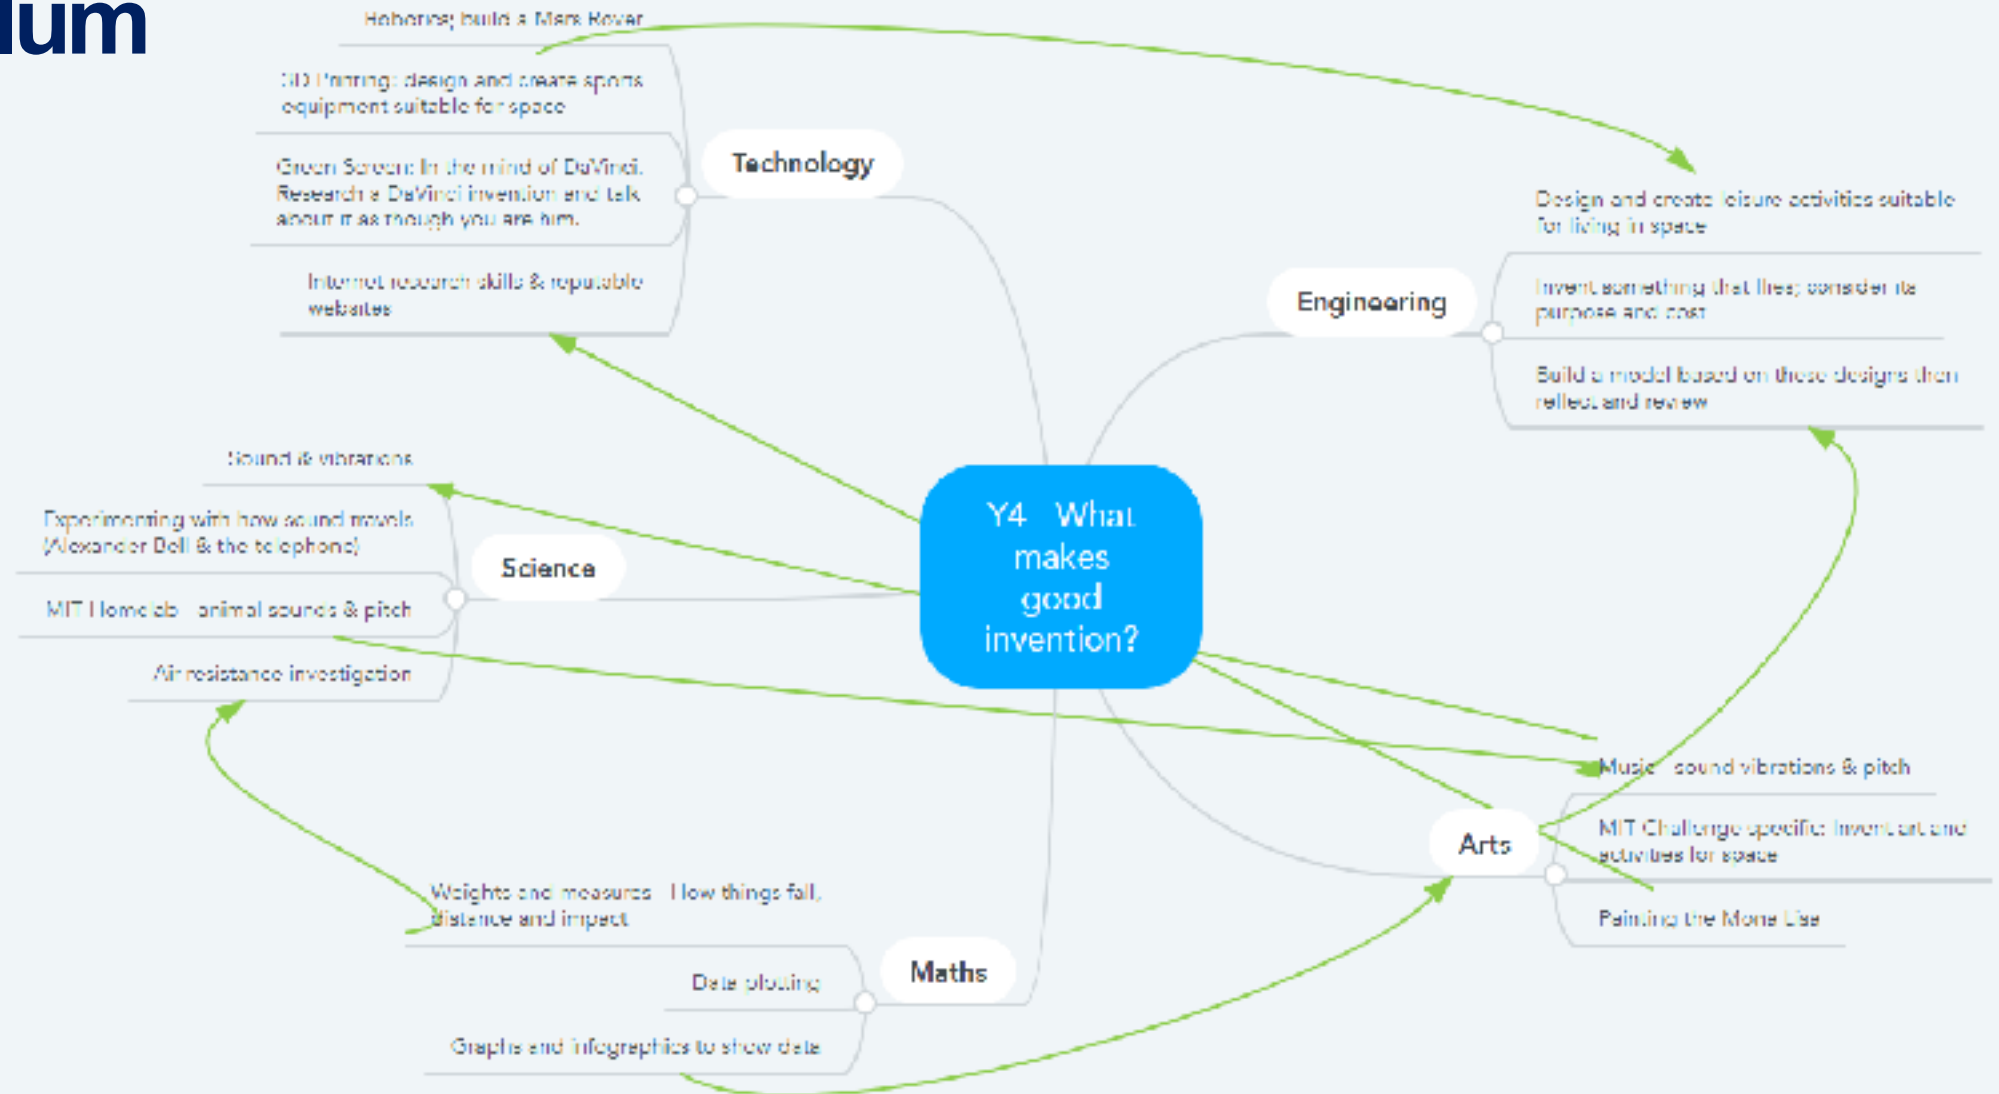

Work together constructively

## Compassion

Empathise with others and act accordingly

# BISS Primary STEAM Curriculum

# MIT-NAE Collaboration

## Who are MIT?

- Massachusetts Institute of Technology
- The mission of MIT is to advance knowledge and educate students in science, technology, and other areas of scholarship that will best serve the nation and the world in the 21st century.

## How do they impact us?

- MIT challenges
  - Three a year
  - Resources and stimulus provided by a team at MIT

# Mission MOXIE - Into the Void - MIT Challenges

Mission Moxie – Dr. Jeff Hoffman

Mission Moxie – Questions answered

# Other MIT Challenge Examples

# Our Ambitious Strands

- Green Screen Media
- Robotics
- Fabrication

# Skills ladders – Green Screen Example

Year group	Skills
EYFS	Teacher led – film using a green screen and the DoInk app
Year 1	+Children use the app using an image background
Year 2	+Trim/cut and edit length of the film; use multiple background images
Year 3	+Adjust the Chroma colour background; edit two videos together & add videos on two layers
Year 4	+Add a third layer; use the masking tool and begin moving beyond DoInk (eg include other apps like stop motion)
Year 5	+Make multilayer edits; combine films to have more than three layers; adjust sounds & add special effects
Year 6	+use filters and edit multiple media through iMovie and other apps

# EYFS Teacher led, film using a green screen and the Dolink app

## Year 1 +Children use the app using an image background

# EYFS +Trim/cut and edit length of the film; use multiple background images

# EYFS +Adjust the Chroma colour background; edit two videos together & add videos on two layers

**EYFS** +Add a third layer; use the masking tool and begin moving beyond DoInk (eg include other apps like stop motion)

# EYFS +Trim/cut and edit length of the film; use multiple background images

**EYFS** +use filters and edit multiple media through iMovie and other apps

# Over to you

**“Don't ask kids what they want to be when they grow up but what problems do they want to solve. This changes the conversation from who do I want to work for, to what do I need to learn to be able to do that.”**

**-Jaime Casap**

**Thanks :)**
