# *Co-curricular Clubs Booklet*

Early Years & Infant Campus  
2020-2021

*Co-Curricular Activities (CCAs) are an integral part of the education offered at BIS HCMC and provide our students with a broad range of learning opportunities which impact positively on many facets of their development, including academic progress.*

### **Term 1 - Monday 21<sup>st</sup> September to Sunday 29<sup>th</sup> November 2020 (9 weeks)**

Welcome to the Co-Curricular Activity programme (CCAs) at the Early Years and Infant Campus (EY&I). The programme is designed to extend existing learning opportunities beyond the classroom and to give all children a wider range of fun experiences that enhance the core curriculum. This booklet will help your child to choose their activities for Term 1, 2020-2021. Teachers will also discuss with children their options prior to sign up.

As part of our continued enrichment programme, the CCAs are organised into 5 categories to help all children choose a variety of clubs to aim to vary their experiences.

The categories are: Art, Community, Language, Sports, and Technology

Clubs are divided into 2 different types:

Free Activities – offered by teachers covering a wide range of different activities.

Paid Activities – offered by outside providers, these clubs often require specialist tuition.

In addition to this, sport squads will be chosen by the PE department based upon a strong ability level linked to prior performance. Children may be invited to join some of the initial sessions before final decisions are made.

For Term 1 clubs, each child in F2 to Y2 is entitled to enrol in:

F2 to F3 children – One free CCA per week and unlimited paid CCAs.

Y1 to Y2 children – One free CCA and unlimited paid CCAs.

Please note;

Due to the age of the children in F1, there are no CCAs offered to this year group.

All CCAs at the EY&I are 45 minutes in length.

### **How to register your child for CCAs**

You will be able to register your child for CCAs from Monday 24<sup>th</sup> August at 5.00pm until Friday 28<sup>th</sup> August 2020 at 12.00pm.

Activities have maximum and minimum numbers which change according to the activity.

Once the maximum number of children has been reached for an activity, then the activity will be 'closed'. Children who sign up for paid CCAs that are oversubscribed will be placed on a waiting list.

CCAs may be cancelled if there are not enough children as required.

## Paid Activities

Paid Activities are a part of the Co-Curricular Activities programme. Children can sign up for as many paid activities through CHQ as they want, subject to numbers.

Those who have been allocated a paid activity will be informed via email with an attached liability waiver to be printed, signed and returned to reception. Payment needs to be made through online bank transfer within the payment period, Monday 7th September to Friday 11th September. Details of making the bank transfer will be sent via email upon allocation. If payment is not made during this time, then the place will be offered to the children who have been placed on a waiting list.

Please note, unless BIS cancel the programme, all paid activity payments are non-refundable; once committed, children must persevere with their club choice.

## Online Activity Selection

All activities (free and paid) need to be selected online. Please see below for instructions.

You will be able to see updates and changes to your approved activities through your online CHQ homepage.

Please note that your preferences may not always be possible to allocate.

Please take time to read through the rest of this booklet and log on to CHQ when the Term 1 database opens.

If you have any questions please do not hesitate to contact Ms Van at, [van.pho@bisvietnam.com](mailto:van.pho@bisvietnam.com).

I hope your children enjoy the activities on offer.

## Step 5. Click 'VIEW/MANAGE/SUBMIT ACTIVITY CHOICES'

The screenshot shows the parent portal interface for British International School - HCMC. The user is logged in as 'Phuong'. The main navigation menu on the left includes: My information, My schedule, My messages, Documents, Calendar, UI settings, Select profile, Log out, and a language selector 'A 𠄎'. The main content area displays several menu items: My Outstanding Balance, My Parent Evenings, My Timetable Today, My Activity Sign-Ups, My Forthcoming Fixtures, My Forthcoming Events, and Past Fixtures. Under 'My Activity Sign-Ups', there is a section for '2020-2021 Term 1 (Junior) 2021 (sign-up open)'. This section contains a table of activities with columns for activity details and status. A blue button labeled 'VIEW / MANAGE / SUBMIT ACTIVITY CHOICES' is highlighted with a red circle and a red arrow pointing to it.

Activity	Status
Tuesday 14:40 - 15:40 Junior-VN5/6-Ms-Tien-Junior-Room-228 - Ms-Nguyen	Removed-(Dropped-club-choice)
Tuesday 14:40 - 15:40 Junior-VN4D Ms Van Junior - Room 107 - Ms Nguyen	Approved

Friday-14:40-15:40-Junior-VN5/6-Ms-Tien-Junior-Room-228-Ms-Nguyen	Removed-(Dropped-club-choice)

**Step 6.** Please choose clubs carefully by numbering in preference order 1 to 8 in the CHQ club options, with number 1 being your child's first choice and number 8 being the eighth favourite choice out of all available CCAs. **You no longer need** to choose free clubs as choice 1 to 3, paid clubs 4 to 6 and so on. Simply order in preference all available clubs 1 to 8. After adding numbers, click 'SAVE' (see yellow arrow on below picture).

The screenshot shows the 'Choose Activities' page in the parent portal. The user is logged in as 'Phuong'. The page title is 'British International School - HCMC - Beyond the Classroom'. A red circle highlights the 'SAVE' button in the top left corner, with a yellow arrow pointing to it. The main content area is titled 'Instructions' and provides guidance on how to select activities. Below the instructions, there is a table of activities for 'Monday'. The table has columns for 'Requested', 'Submitted', and 'Approved'. Each activity has a radio button in the 'Requested' column. Two radio buttons are selected and numbered '1' and '2', with red arrows pointing to them.

**Please note**, you need to consider club choices **very carefully**, as all clubs will be selected randomly by CHQ, **and there will not be an option to change clubs once selections have been made**. Changes of clubs are time consuming for the office staff and the decision has been taken to be strict with the no-change procedures. So please save any disappointment by **choosing very carefully**. Due to all clubs being chosen randomly, there will be those who miss out on CCAs, so we apologise in advance to those who do not get their initial choices. However, the system does record those who missed out on clubs and they will be given preference for that club in Term 2 and 3 if it is offered again. CCAs must be signed up on CHQ, as CCA allocation will not be accepted in the office. **This also will be strictly enforced.**

Before the club programme begins on Monday 21<sup>st</sup> September 2020, click onto the 'My Schedule' tab and scroll through to Monday 21<sup>st</sup> September - you will be able to see your accepted clubs. In addition to this, all accepted clubs will be confirmed to you via email before the Term 1 club programme begins.

Please remember that you may choose as many paid clubs as you wish that fit into your child's schedule and all clubs are subject to a minimum and maximum limit - **once filled there will be no additions.**

**Please note – If you forget your login details, please follow the instructions below.**

At the iSAMS website, click 'Forgotten your details?'. The system will ask you to fill in your username and the Security answer. You click 'Reset password' after adding this information.

*Good luck with all club choices and we are looking forward to an outstanding CCA provision!*

Jr. Scientists _All about animals	Do you know what mammal is the largest on Earth? Or how a caterpillar becomes a butterfly? Did you know that reptiles are the oldest creatures on the planet? Jr. Scientists: All About Animals invites your little zoologists to analyze the differences between vertebrate and invertebrate, construct their way through the butterfly and frog life cycle, build reptiles, and examine the differences and similarities between insects and arachnids using Kid K'NEX® pieces. Your child will too busy exploring the animal world to realize that they are gaining critical social, motor, and developmental skills.	Monday	15:00	15:45	EY&I-Room 101	F3	Snapology	3150000
Foundational Engineering	Does your little learner love to tinker and create new things, or are they the kind of learner who likes to break things apart to see what's inside? If so, they're going to love Snapology's Foundational Engineering: Machines and Contraptions program! This program gives your student the tools they need to understand mechanical movement and the importance of simple machines. They will see these moving parts up-close as they follow instructions to build various machines and contraptions, then use the models to develop new design ideas, test out physics concepts, and even play games with their partners and classmates. Whether they are the creative-constructive type or prefer the inquisitive-deconstructive way of learning, this program is sure to spark their engineering interests!
