Our criteria

Just to recap:

- Rules – consistent and easy to understand
- System that encourages and celebrates collaborative team work
- Student voice – rewards that come from the children that they value and are therefore motivated to work towards
- Consistency between classes and year groups
- Links with secondary school
- Child friendly and fun!

Dealing with negative behaviour in the classroom

Consistency:

- Any serious incidents of negative behaviour come straight KL
- Firstly addressed by the class teacher
- Firm voice – we do not shout
- If behaviour continues, teacher addresses it again before we get to the next step. We don't have a certain number of warnings because each child is different.
- If the child is not getting the message – go to Year Group Leader ..
- If behaviour continues – sent to Mrs Roussell. Parents informed.
- Next step – KL. Parents invited in.

Dealing with bus behaviour

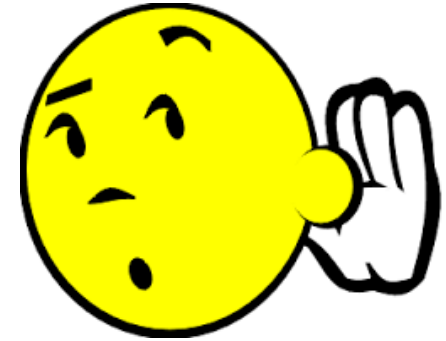

Bus rules:

No food, drinks or littering

Be kind, friendly and polite

Listen to adults

Stay in your seat

Wear your seat belt

Use quiet voices

Dealing with negative bus behaviour

Consistency:

- Any serious bus problems straight to Head of School
- Bus aunties have been trained to deal with low level behaviour
- Behaviours forms completed and returned to CT.
- 3 'Bus Misbehaviour Forms' Head of school informed and parents contacted
- If the student receives another 'Bus Misbehaviour Form' within a 4 week period, the parents will be asked to make alternative arrangements to get their child to/from school for 5 consecutive days.

Thank you.
