

21.02.19

Dear Parents,

**Assessment Week**

Interim assessment week will commence on Sunday 24<sup>th</sup> February 2019. The children will be undertaking tests in reading, spelling, phonics, writing composition and numeracy. These tests will assess the FLOs covered so far, this academic year. These have been outlined for you in the curriculum maps, sent out half termly.

The teachers have prepared revision lessons for children in class. Should you wish to support your child at home, please focus on times tables, the four number operations, homework spellings and reading comprehension.

It is important that your child attends every day and arrives punctually during this week.

The assessment results will be shared with you during Parent Teacher meetings and summarised in a written report which you will receive on Sunday 24<sup>th</sup> March.

Our final assessment of children will take place on the week beginning Sunday 26<sup>th</sup> May. I will be sending out information about the assessment tests and how you can support your child at home before the next holiday break.

Regards,  
Nick Jefferson  
Head of Primary
