

Dear Parents

This letter has been sent home to inform you about your child's learning for **next week**.

In **Literacy**, we will be exploring the text 'Journey'. As it is World Book Day on Thursday 1 March, there will be a big emphasis on reading so please take any possible opportunity to read with your children.

In **Numeracy**, we will be working on finding non-unit fractions and will be looking at equivalent fractions.

In **Science**, we will be starting our new topic 'Habitats.' We will be completing research to learn about animals and their habitats in our home country and Qatar.

Our **IPC** topic is 'Olympics.' We will be completing our tourist campaign to promote tourism in Japan for the next Olympics.

In **Art**, we will be creating art work related to our book for Book Week, which is 'Journey.'

In **ICT**, we will be continuing with our research into the Olympics and will start to work on our Wiki pages.

In **PSHE**, we will be starting our new topic of 'Healthy Me.'

For **Spellings**, students will receive their spelling lists on Wednesday and will be tested on the list the following Wednesday. Students will have 9 or 11 words to learn during the course of the week.

### Notice & Reminders:

- The school will be celebrating World Book Day on Thursday March 1. Your child is encouraged to come to school dressed as a favourite book character. Students are not allowed to wear their home clothes on this day.
- Students are allowed to bring in QR5 on Thursday March 1 to buy an ice-cream. This will be led by our students attending the Tanzania expedition this year.
- If you would like to come into school next week to share a story with your child's class, please contact your child's teacher.

We hope you have a wonderful weekend!

Yours faithfully

Year 4 Team
