

READY FOR A GREAT DAY AT SCHOOL?

A simple *checklist* for Early Primary and Primary students

1.

Check your timetable

Make sure you join live lessons on time with your camera on, a screen background and 'mute' on.

2.

Find a quiet and tidy workspace

If you are sharing a space, wear headphones to limit background noise.

3.

Engage with your lesson

Join your class with everything you need and be ready to join in.

4.

Your teachers will lead

The chat function is directed by your teacher. They will also record lessons and take screenshots.

5.

Behave just as you would at school

Dress properly, be responsible, kind and self-aware. Keep snacks for when you are off-line.

6.

Most importantly...

Make every piece of work your best!

And remember... Have a fantastic day at school!
