Application to Enrol

Enrolment to the British School of Guangzhou is open to all children between the ages of 1 and 18 who hold a valid international passport.

Pre-entry assessment is used to ensure all students are ready for a premium international education and are able to access the curriculum successfully. Entry to the school with English language support is available but places are limited in older year groups.

STEP 1

Complete this application and return to admissions@bsg.org.cn. We will then contact you to help you through the application process noting we will require these documents:

- Copy of your child's passport and a recent photograph.
- Recent school reports.
- A completed 'Conditions & Declarations' form
- An application fee of 1500RMB

STEP 2

When we receive all the necessary documents, we will work with you to arrange a mutually suitable date for your child's pre-entry assessment to take place in school. If you are overseas and unable to attend, an online assessment may be used.

STEP 3

On completion of the assessment, the application will be reviewed by the Head of School who will make the decision to accept or reject your application. If your child is offered a place, you will have five working days to secure placement by paying an Enrolment Fee of 20,000RMB. If your child is rejected, we will inform you of the reason.

During this process you will be assigned with a personal Admissions Officer, who is responsible for guiding you through the process. They are there to make sure you have all the information you need as you apply. If you would like more information, please consult our [Admissions Guide](#). If you are ready to apply, here's what we need for now...
